

October 2025

Dear Board and Staff of WVFHC,

I am writing to inform you of my intention to retire from my position as General Manager of WVFHC, with my final day being December 31, 2025.

It has been an honour to serve this Club over the past six years. This truly has been the best job in the world—even in the moments when it was stressful. My fondest memories will always be seeing players arrive at the field to take part in programming and events that took weeks or months to prepare. I will never forget the summer of 2020, when we returned to the field with safety officers, thermometers, and attestation forms—proof of the resilience and passion of our community.

To the Board, thank you for your confidence and support throughout my tenure. To the Junior Committee, thank you for your energy and commitment to bringing our youngest players into the game. To the players, coaches (both Club and volunteer), umpires, junior coaches, parents, and fans—thank you for the fun, camaraderie, and countless smiles. And to the staff—Matt, Derek, Kristi, Koen, and Isabelle—I know the Club's future is in excellent hands.

I will do everything possible to support a smooth transition to a new General Manager or Executive Director before the end of December and will remain available to answer questions after my departure.

I will always be a proud, lifelong WVFHC supporter.

With gratitude,
Charlotte
