

April 8, 2019

Dear TOLL Families,

Many of you have come forward and expressed your desire to be more involved with the league. For some of you, this may mean becoming an elected member of the Board or a Committee Chairperson (which are not elected positions). While everyone is welcome to attend TOLL Board Meetings, we realized not everyone knows how to go about becoming an official TOLL volunteer.

If you have any interest in being part of the 2020 Thousand Oaks Little League Board of Directors or a Committee Chairperson please respond as follows:

Email the league at ThousandOaksLittleLeague@gmail.com a paragraph or so telling us a bit about yourself, qualifications, special background etc. that would be of added value to the program. You do not have to say at this time what position you are interested in unless you are 100% sure. Committee Chairperson positions are not elected, but the Board of Directors are elected positions. A vote takes place in August (date: TBA).

Elected positions include: President, Vice President, Secretary/Auxiliary President, Treasurer, Registrar & Player Agent(s), Safety Officer and Division VPs.

We ask even if you think you might be interested to please send a response, no response means that you are not interested. Please email us by June 1.

Our goal is to get everyone involved and to make sure everyone has the information and opportunity to be included. A complete list of volunteer opportunities can be found at <https://www.tolittleleague.com/leaguecontacts>.

Thank you,

Alan Thompson
President, TOLL
