Subject: Government of Ontario announces Verify Ontario app availability

Ontario Soccer continues to work in consultation with the Government of Ontario, through the Ministry of Heritage, Sport, Tourism and Culture Industries as we communicate important government directives and updates related to the current global pandemic.

The Government of Ontario announced on [Oct. 15, 2021](#) that it has launched the “Verify Ontario app” for businesses.

Ontario's official mobile application **for businesses** is designed to scan COVID-19 proof of vaccination at entry.

Verify Ontario is the Government of Ontario's official app for:

- Businesses and organizations;
- Checking visitors' eligibility to enter based on their COVID-19 vaccination status and;
- Saving businesses time by checking a visitor's vaccine certificate quickly and easily without the need to search for details.

The Verify Ontario app can be downloaded here:

- [iPhone](#)
- [Android](#)

Visit the [Government of Ontario website](#) for more information on use, technical requirements and posters and communications tools that can be used by your organization. **Individuals can also download their proof of vaccination new QR code at this location.**
