Team Eligibility

Section 2.1 Eligible Teams

Membership shall be open to all Posts within the District. The District is defined as the Counties listed on the District page of the official Department website or any areas added by the Department Baseball Committee.

Any Post may enter a team for competition in this District by completing the new team application form (***with approval***) by the deadline as indicated in Section 10.

The impact on existing teams recruiting areas will be given consideration.

Under no circumstances will more than one (1) team be able to use the same base school.

Teams without a Post sponsorship are also eligible in areas where there is not a Post sponsored team. Any team that files their final roster with less than 12 players listed will be ineligible for the District Tournament.

Section 2.2 Team Organizational Structure

Each team shall have a Manager appointed by the Post Commander and/or the Post Baseball Chairman. This Manger shall be indicated on the National Team Registration form. The team Manger or his appointed representative should be present at all District meetings.

The Post Commander and/or Post Baseball Chairman is responsible for supervising the play of his/her Post entry, for the team conduct while participating in American Legion Baseball and assure that all rules are fully complied with.

Section 2.3 Forfeits

The refusal to compete fully in the League will result in the forfeiture of the right to play in the District Tournament.

If a team is found to have an illegal player all games that player participated in will be forfeited and count as a loss.

A team does need 9 players to start and finish a game. If a team falls below the (9) player limit that team will forfeit. Each player must be listed on the team's current national roster submission.

If a team does not have the proper paperwork to the District Director by their first league game, all games that are scheduled will be forfeited until all proper paperwork is filed.

Any team that forfeits two (2) league games will be disqualified from the District Tournament. Additional penalties may be imposed as determined by the District Director with input from the Department Baseball Committee.

NOTE: Any forfeits due to pitch count rule violations will not be counted towards the maximum forfeit rule listed above

A forfeit in the District Tournament will cause the offending team to be removed from tournament play and be ineligible for the District Tournament in the following season. The District Director with input from Department Baseball Committee will review the circumstances of the forfeit, with consideration of injuries and other unforeseen circumstances, in determining the team's eligibility for next season's league play and post season play.

Section 3

Individual Player Eligibility

A player is eligible to compete in the American Legion Baseball program as long as he abides by the American Legion National By-Laws and Player Eligibility requirements. These requirements can be found in the National Rulebook, Rule 2.

The National Rulebook, Rule 4D Transfer rule states that "*A player released from a team must obtain permission on National Transfer Form #76 from that team's manager*".

Beginning with the 2023 season there will be three (3) levels of American Legion Baseball in the Department of New York: Senior (19U) / Junior (17U) / Prep (15U).

A player is granted an automatic release at each of the following occurrences:

1. At each level of American Legion Baseball, for example a player that has previously played at the Prep Level is granted an automatic release when he advances to the Junior Level and then again when he advances to the Senior Level.
2. Anytime a player's residence changes that results in a change in school, regardless of any change in level

No manager shall deny a form 76 release to any player that qualifies for an automatic release regardless of player age. Even though this release is automatic and must be granted, the form must be completed properly for the player to be eligible.

A player loses this right to an automatic release once the player appears on the final official form 1 roster for any American Legion team at each level.

At the end of the season, if the player is not advancing to the next level, the player can request a release, but the manager does have the right to refuse. (Exception: the team previously played for is no longer participating in the league.)

No dual rostering of players is allowed.

Managers and Coaches are expected to have integrity and reflect American Legion values. District directors will be responsible for settling any disputes that are unable to be resolved at the team level.

Any effort or attempt to undermine, avoid, or abuse this rule in any way will be met with strong disciplinary action by the State Baseball Committee up to and including dismissal of the manager.

Players who graduated from high school shall play for the last American Legion team they played for. If that team no longer exists, then they must play for the team nearest his parents' domicile.

Section 4

Senior League Rules

Section 4.1

The League will be comprised of a single division made up of eight (8) teams, aligned per previous year's final league regular season standings. If divisional play was used last season, there will be no consideration of divisions and playoff seeding. Teams will be ranked based on the previous season's order of finish using winning percentages. If percentages are tied, then placement would be based on tiebreakers listed in section 8.1. The team numbers will be applied to the master schedule. Each team will play home and home with every other team with an additional three games against other teams in their group for a total of seventeen (17) regular season games.

Section 4.2

Teams are permitted to play non-league contests during and after the completion of the league regular season up to the expiration of the team insurance certificate. To have insurance coverage, teams must require the non-league team to follow American Legion Baseball rules.

Section 4.3

In accordance with 5th District rules the league must notify the State Chairman of the District V representative by the date noted in section 10. It is agreed that District will use every possible date made available to us by the State Chairman to complete the season and to determine the District Champion. The League will complete its regular season by the date noted in section 10 and send their representatives to the District Tournament, which will begin on the date noted in section 10. Regular season games will take precedence over any practice or exhibition games, if necessary, such games will be canceled to ensure completion of regular season games.

Section 4.4

Game time shall be 6:00 PM weekdays and 2:00 PM Saturday, Sunday, and Holidays unless another time is specified. The maximum time allowed between the completion of game 1 of a doubleheader and the start of game 2 shall be no longer than 30 minutes, provided the teams are the same for both games. Home teams are required to be off the playing field 25 minutes prior to game time. Visiting teams warm up once the home team warm up is completed. Both team managers and umpires should meet at home plate 10 minutes prior to game time for ground rules and lineup exchange. This will allow time for the National Anthem and the Code of Conduct to be completed, and the game started on time.

Sample schedule based on 6PM start time:

5:10 PM - Home team takes I/O

5:25 PM - Home team off field

5:30 PM - Visiting team takes I/O

5:45 PM - Visiting team off the field

5:50 PM - Ground rules reviewed at home plate

5:55 PM – Code of Conduct & National Anthem (or Pledge of Allegiance)

6:00 PM – First Pitch

Section 4.5

Postponed, Rained Out, or Suspended Games must be rescheduled within 48 hours. The home team is responsible for contacting the opposing team and shall notify the District Director of their decision **within 72 hours**. The District Director will contact the managers concerned if this is not accomplished within the time limits prescribed. Additionally, the District Director has the authority to revise the schedule in the final week of regular season play as may be necessary. Rescheduled league games take precedence over non-league games. If necessary, teams must be willing to postpone or cancel non-league games to complete the required league schedule.

Section 4.6

A suspended game tied after 5 innings or more complete innings will be completed from the point of suspension. Continuation games should be scheduled prior to another regularly scheduled game. Approval of additional umpire fees is required by the District Director to schedule a continuation game as a stand-alone game.

Section 4.7

The home team is responsible for field conditions, if applicable.

Section 4.8

The home team scorekeeper will be the official scorekeeper. Care must be taken so that only competent scorekeepers are used.

Each team will be required to designate an official score keeper to the District Director before the team's first game. Any changes throughout the season should be reported to the District Director.

NOTE: All teams MUST, WITH NO EXCEPTIONS, enter game day results into the web site, www.nylegionbaseball.com before noon the day following the game.

Section 4.9

The home team shall notify umpires if the weather or field conditions warrant postponement of the game. The umpires and visiting team will be notified of postponement at least 90 minutes prior to game time. It should be noted, in cases where teams must travel a great distance, 90 minutes will not be sufficient, and earlier notification must be affected. Failure to notify umpires will cause the home team to be assessed the umpire fees.

Section 4.10

For any non-weather-related changes to the game schedule (both league and non-league), made after a date agreed upon by the Assignor and the District, the offending team will incur a fine based on the following schedule:

- First offense - \$20
- Second offense - \$40
- Third offense and any thereafter - \$60

The umpire assignor will notify the District of any non-weather-related changes that should incur this penalty. It will be up to the 5th District Baseball Committee to determine which team is responsible for the fee. All fines must be paid in full no later than 48 hours after the late schedule charge. Any teams that are not in compliance will forfeit their next league game and all games until the fine is paid in full. Fines must be paid by the team to retain its membership in the league.

Section 4.11

Home team managers are responsible for paying BOTH umpires via cash or check. Managers should be prepared to pay both umpires when providing the game balls prior to the pre-game conference. The home team is responsible for providing game balls. If a game is rained out before it begins, the umpires are to be paid half fee. This should be reported to the 5th District Director immediately.

If a game is rained out before its completion, the home team will not be responsible for paying the umpires for the makeup game. This will be handled by the 5th District Director. At NO time should a voucher be used.

Section 4.12

If the team responsible does not pay both umpires prior to the start of the game the umpires are to report this to their assignor, who shall inform the District Director. The first offense will be a written warning with an opportunity for the team to provide an explanation. The second offense will result in the suspension of the team manager/head coach (game coach) for the next league game. The third offense will result in a forfeit of the game that involved the third offense. The contest will end when the losing team is behind by (10) ten or more runs and has had at least (5) five opportunities on offense (only applicable in a seven (7) inning game).

Section 4.13

Teams that fail to reschedule games, elect to not complete all regular season contests, or elect to not participate in the playoffs (should they qualify) after the declaration date of 7/1, shall be fined \$500. Such a fine must be paid by the next league meeting for the team to retain its membership in the league.

Section 4.14

A team may apply for reinstatement for the next season. An application for reinstatement will include a \$500 reinstatement fee that must be paid by 12/31. This fee will not be refunded, nor will it be applied to the upcoming league fee. The team may then address the 5th District Committee before voting on the reinstatement application.

Section 4.15

American Legion pitching rules will be enforced throughout the season. Any violation of the pitching rules will result in the forfeit of the game in which the violation occurred. The complete list of penalties is listed in the Department Bylaws. To validate the violation, the game must be protested prior to the conclusion of the game. The protest will be presented to the District V baseball committee for a final ruling. All games played in or out of the league will be considered when applying the pitching rule. Any forfeits due to pitch count rule violations will not be counted towards the maximum forfeit rule in section 2.3. All ejections/suspensions due to pitch count rule violations will count towards the allowable limits in section 4.21.

Section 4.16

All players are required to wear double-ear-flap protective helmets when at bat and when running bases. Catchers are required to wear protective helmets and masks with throat protectors in games. When warming up pitchers on the field or in the bullpen, a catcher must wear a mask. All Coaches will wear a helmet when in the coaching boxes. **Bat Persons and Minor Age Scorekeepers must always wear a double ear flap protective helmet.** Each team is required to maintain an appropriately supplied First Aid Kit.

Section 4.17

Section 4.18

Waivers granted will be valid throughout each individual player's remaining eligibility at the level (Senior, Junior, Prep) that the release (Form 76) is valid for. Enrollments will be added to the enrollment of the team only for the school that the player is recruited from.

Section 4.19

Players will be allowed dual participation in accordance with National Rules. The release must be approved by the District Director prior to the player participating in a game. Any contest that a player participates in prior to the release being approved by the Director will be automatically forfeited. A copy of the release must be filed with the District Director on the regular form available from the National website and furthermore will not be accepted unless signed by the current manager. This rule will apply in all cases not in conflict with National Rules on Recruiting.

Section 4.20

There will be no non-Roster Players allowed on any District V Team. If a non-Roster Player participates in any league or non-league contest, the team forfeits their last league victory, and the Manager will be suspended according to the League Suspension Rule.

Section 4.21

- Suspended players should be listed on the lineup card and identified as ineligible to participate in the contest but remain eligible for ejection. This should be communicated to the umpires and the opposing team manager at the time lineup cards are exchanged.
- In the event a game is called before becoming an official game, any ejections will be enforced along with any required suspensions based on the criteria listed below
- The team Manager must report any player or coach ejection directly to the 5th District Director within 24 hours of the ejection.
 - The report should include the players or coaches' name and uniform number
 - This can be reported via text, email or phone call
 - Failure to report this information will result in the Manager being suspended based on the criteria listed below

 - Any game that an ineligible player or coach participated in will be deemed a forfeit

Section 4.22

Any Coach, Manager, Trainer in uniform or in street clothes who is an active participant in the game will be ejected if an act of consuming alcoholic beverage is detected. In all instances ejection from the game means departure from the ballpark environs and being **"out of sight, out of sound"**. Out of sight, out of sound, does not apply to the players. Players must remain on the bench for the remainder of the game. If the player continues their bad conduct the umpire may add additional ejections and ejection rules will apply. Violation of this rule will subject the individuals to further suspension.

Section 4.23

Parents ejected from a game must leave the environs of the ballpark and remain **"out of sight, out of sound"**. If a parent gets ejected a second time, that parent will be prevented from watching their son play for the rest of the son's Legion Baseball career. If the parent is within sight or sound of the game, the umpire will stop the game, direct the team that the parent belongs to and give that coach/manager 15 minutes to be considered out of sight, out of sound, or the opposition will win by forfeit with no appeal. If neither team claims the protester, the umpire may stop the game, and a forfeit is awarded to the visiting team.

Section 4.24

Players are not permitted to consume alcoholic beverages while in uniform or any part that identifies them as a member of any American Legion Baseball Team. Disregard of this rule will result in suspension of said players.

Any team found to be using an ineligible player(s) will forfeit any game in which that player appeared or appears in the future. The player is ineligible for the remainder of the season. The team that used an ineligible player is not allowed to use that roster spot for another player that season.

Section 4.27

All teams will submit, to the 5th District Director, the required forms as outlined in section 10 by the date noted in section 10. Any team not in compliance will forfeit any and all league games until all requirements are met.

Section 4.28

It is the home team's responsibility, that the American Legion Baseball Code of Conduct will be recited before every league game as well as District V tournament games. It is to be conducted at home plate just before the start of the game, after the coaches' exchange line-up cards with the umpires and the ground rules are covered, and PRIOR to the national anthem. BOTH teams should be lined up on the baselines. It is up to the home team to choose a person to lead the code; it can be a legionnaire, coach, player, parent, etc. The person leading the code should instruct the players to 'repeat after me', then read each line and pause to allow the players to repeat.

I Will:

Keep the Rules;

Keep faith with my teammates;

Keep my temper;

Keep myself fit;

Keep a stout heart in defeat;

Keep my pride under in victory;

Keep a sound soul, a clean mind and a healthy body

Section 7.3.2 Juniors

Teams have the option to use a courtesy runner for the pitcher and/or catcher at any time. The umpire in-chief shall record courtesy runner participation and announce it to the official scorer. For speed-up purposes, it is recommended that the courtesy runner be used with two men out in all games.

CLARIFICATION

The courtesy runner rule does not apply to a pinch-hitter for the catcher unless the catcher has been re-entered. A team may not use the same runner for the pitcher and catcher in the same inning. The courtesy runner may not be removed from a base to become a pinch hitter. A player removed from the game may not be used as a courtesy runner. Should the courtesy runner pinch hit, pinch run or enter the game at any position, he will no longer be eligible to be a courtesy runner. A player who violates the courtesy runner rule is considered an illegal substitute.

Section 7.4.2 Juniors

A hitter may be (not mandatory) designated for any one starting player (not just pitchers) and all subsequent substitutes for that player in the game.

A starting defensive player cannot be listed as the designated hitter in the starting lineup. A designated hitter for said player shall be selected prior to the

start of the game, and his name shall be included on the lineup cards presented to the umpire-in-chief and to the official scorer.

Failure to declare a designated hitter prior to the game precludes the use of a designated hitter in that game.

If a pinch hitter or pinch runner for the designed hitter is used, that player becomes the new designated hitter.

A designated hitter and the player for whom he is batting are locked into the batting order.

No multiple substitutions may be made that will alter the batting rotation.

CLARIFICATION

The role of the designated hitter is terminated for the remainder of the game when:

- a) the defensive player, or any previous defensive player for whom the designated hitter batted, subsequently bats, pinch-hits or pinch-runs for the designated hitter, or

CLARIFICATION

Keep in mind that once the POSITION of DH is eliminated in the game it cannot be used again, however the PLAYER that was the DH is eligible to re-enter in the same position in the batting order for the substitute player that replaced him in the lineup, however he must play a defensive position.

Section 7.6 Pregame procedures

unless the teams tied have played each other twice with the same team winning both contests. In this case the winning team will advance to the playoffs without an additional game. The other team will be eliminated.

- If two (2) teams are tied for a Playoff Spot with an identical winning percentage at the conclusion of the season, the tie shall be broken as follows:
 - A one-game playoff shall be played on the tiebreaker date noted in section 10 to determine which team qualifies for the post season tournament.
 - The site of the game would be determined by head-to-head competition from regular season
 - The winner of the game shall be seeded in the same manner as the other playoff teams
- If three (3) teams are tied for a Playoff Spot with an identical winning percentage at the conclusion of the season, the tie for 4th place shall be broken as follows:
