Each season, USA Hockey shall conduct District Playoffs and National Championship Tournaments in the Youth, Girls/Women’s and High School Age Classifications. The Rules and Regulations governing eligibility and qualification for the District and National Championships are set forth in this Article IX. The USA Hockey Youth Council shall approve a USA Hockey District and National Championship Tournament Guidebook, which shall be published and available on the USA Hockey website on or before September 1 prior to the following year’s District and National Championships. Except as set forth herein, to the extent of any contrary information in the USA Hockey Annual Guide, the District and National Championship Tournament Guidebook shall be the binding authority for the requirements, rules, regulations, operation and procedures of all USA Hockey District and National Championship Tournaments. For regulations applicable to regional, invitational and national championships for the Junior, Adult Men and Sr. Women (30 and Over, 40 & Over, and 50 & Over) classifications, please contact your appropriate registrar, the junior staff liaison, or the USA Hockey national office.

A. PLAYER AND TEAM REGISTRATION

All national tournament-bound teams and players (except Women’s Senior A) must be registered with USA Hockey and must be a member in good standing of an affiliate association on or before December 31 of the playing season. (Women’s Senior A teams must be registered with USA Hockey and be a member in good standing of an affiliate association by the third Monday in March). Teams competing on natural ice have until January 20 to register. Player changes to the official team roster for Youth Tier I and Tier II teams and girls/women’s national

tournament-bound teams will not be accepted after December 31. For games to count in meeting the 20/10 (14/10 girls/women's) rule, that team's official team roster registration form (1-T) must be certified by the appropriate district registrar or his/her designee prior to that game being played.

B. COACHING EDUCATION REQUIREMENTS

All coaches must have current USA Hockey certification and the corresponding online age-specific module to participate in the district and national championships. All coaches are expected and required to follow all USA Hockey rules, including the helmet rule, during all pre-tournament and tournament events. Non-compliance will result in a Discipline Committee hearing with a minimum one-game suspension. Please refer to the Coaching Education requirements, USA Hockey Annual Guide.

C. TEAM CLASSIFICATIONS

Youth/Girls

Within each Youth and Girls classification, the District and National Championships shall be at the Tier I and Tier II levels with eligibility to participate as follows:

Tier I: Any youth or girls team that is properly registered with USA Hockey as a Tier I national championship bound team.

Tier II: Any youth or girls team that is certified Tier II by an affiliate organization which has jurisdiction over the team. Tier II certification will be based on criteria set up by the affiliate and approved by the Youth Council.

If the affiliate rules permit a certified Tier II team to participate in the affiliate's Tier I district playoffs and a certified Tier II team elects to participate in that affiliate's Tier I district playoffs, then that certified Tier II team shall be ineligible to participate in the Tier II national championships.

High School Varsity and Prep School

Varsity Division (male and female teams): Pure teams that are community-based public high schools, private schools drawing their students exclusively from a local metropolitan area (excluding any school that boards players) OR a combined team from a state that has NO pure teams. Representation from each state will be determined by

the state affiliate participating in the tournament. Billed players competing on Youth Tier I, Youth Tier II or any junior teams are not eligible to compete in the High School Varsity national tournament. Participation is restricted to amateurs who are full-time students (grades 9-12), and 19 years old or under as of December 31 of the playing season. Eligibility is not to exceed eight (8) consecutive semesters starting with a player's freshman year. Clarification: Those high school students graduating mid-year are no longer full-time students and therefore, are not eligible to play on a varsity high school hockey team, effective on their last day of attending classes full-time.

Prep School Division (male and female teams): Boarding schools, non-community-based high schools and others. All teams, players and coaches must register with USA Hockey prior to application for participation.

For districts only, these rules and regulations may be modified for local and state association competition and districts that are composed of a single state, as conditions may require.

Player eligibility regulations may not be less restrictive than those governing national championships.

D. TOURNAMENT ELIGIBILITY AND REGISTRATION

- (1) Players and registered team members properly classified shall be eligible to participate in district and national tournaments see:

 - (c) For games to count in meeting the 20/10 (14/10 girls/women's, 10/5 high school varsity and/or prep school) rule, that team's player roster form (1-T) must be certified by the appropriate registrar or his/her designee prior to that game being played. The National Championships Appeal Committee will add the

High School Section director in the case of High School Varsity and/or Prep School divisions. Upon receipt of the appeal the National Championships Appeal Committee will render a decision as soon as possible. The decision of this National Championships Appeal Committee shall be final.

This includes teams of different program registration when a majority of the same players came from the same team.
- (b) When a women’s senior B or C team has qualified to move to the next highest classification in the next national championship and participated, the Girls/Women’s Section will review their ability to be competitive with the higher classification teams and make a recommendation to either have the team remain or move down a classification for the following season.

- Competitiveness;
- The number of teams from each district/affiliate;
- Results of affiliate and district tournaments; and,
- Other criteria at the discretion of the Girls Nationals Selection Committee.

The Girls Tier II National Championship Tournament is not seeded and teams are placed into their respective brackets. When possible, the Girls National Championship Tournament Selection Committee will attempt to place teams into different brackets than teams from the same affiliate, district, and/or league.

- (f) The Senior Women's National Championship Tournament shall include up to 12 teams in each division, comprised of one team representing the host and one team from each USA Hockey District that declares a team by the declaration deadline. If additional teams are necessary in one or more divisions, the Girls/Women's Section will review the list of declared teams provided by Girls/Women's Section representatives and select additional teams utilizing registration numbers from the previous season. Team(s) will be selected by district, beginning with the district that has the highest Senior Women's registration numbers from the previous season and continue in descending order until any/all additional needs are fulfilled per division. The Senior Women's National Championship Tournament is not seeded and teams are placed into their respective brackets based on the Senior Women's district assignments for a 12-team format in the appendix. When additional teams are selected, the Girls National Championship Tournament Selection Committee will attempt to place teams into different brackets than teams from the same affiliate, district, and/or league.
- (g) The High School National Championship Tournaments shall include up to 48 teams, which may include a

host representative, as determined by the High School Section. The High School National Championship Tournament will be divided into three divisions, with Division 1, Division 2 and Girls separated and each Division competing for their own national championship. The tournaments will be held in the same place at the same time.

Following are the definitions to be used for each Division:

- High School/Prep School Division 1: Formal high school and prep school teams or non-varsity teams consisting of full-time students attending the same high school or prep school or full time students that are eligible to play sanctioned varsity sports at that school.
- High School/Prep School Division 2: Formal high school and prep school teams or non-varsity teams consisting of full-time students attending more than one high school/prep school.
- Girls High School/Prep Division 1: Formal high school and prep school teams or non-varsity teams consisting of full-time students attending the same high school or prep school or full-time students that are eligible to play sanctioned varsity sports at that school.
- Girls High School/Prep Division 2: Formal high school and prep school teams or non-varsity teams consisting of full-time students attending more than one high school/prep school.

Note: *The intent of the above descriptions is to make Division 1 the designation for “pure” high school teams and Division 2 for “combined” teams.*

Tournament eligibility requirements will remain the same with each Affiliate determining its representative for the tournament. To encourage the growth of “pure” teams, any Affiliate with Division 1 teams would have to send a Division 1 team to the tournament before being allowed a slot in the Division 2 Tournament. Besides meeting Division 2 team requirements, all Division 2 teams must play a regular season schedule in a high school league as a team and shall not be an all-star team formed for the purpose of attending the National Championship Tournament.

Any Affiliate with “pure” teams that cannot field a “pure” team for the Division 1 side of the tournament can petition the USA Hockey High School Section for a waiver of the Division 1 requirement. Waivers will be considered on an individual basis.

(c) Youth, Girls/Women’s and High School Varsity and/ or Prep School – Tie-Breaking Rules to Determine Standings Position

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking rules listed below. If at any point during the application of the tie-breaking rules, any or all of the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin at Step 1 for any teams that remain tied.

Note: If all tied teams have not played each other, the tie-breaking process will begin at Step 2.

The tie-breaker rules are as follows:

1. The results of only the head-to-head games played between the tied teams in the following order:
 - a. Most points earned.
 - b. Most total wins (whether in regulation, overtime and shootout).
 - c. Most regulation wins.
 - d. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus.
 - e. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero(0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie breaker is required, the teams shall be ranked high to low in descending order of “goals for.”

- f. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
 2. If after applying the formulas of 1 a, b, c, d, e or f the tie still exists, the results of all the games played by the teams tied in the following order.
 - a. Most total wins (whether in regulation, overtime and shootout).
 - b. Most regulations wins.
 - c. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus.
 - d. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of “goals for.”
 - e. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
 - f. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.
3. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described.

Note: A team may go into the tie-breaking process having defeated another of the tied teams and still not advance.

Note: If a team forfeits any of its games, and becomes involved in any tie-breaking formula, the team that forfeited will not advance and all games played against the forfeiting team shall be recorded as 1-0 victories for all opposing teams.

See appendix for tie-breaking scenarios.

APPENDIX 3

INJURY/CONCUSSION RETURN TO PLAY POLICY

Each host site is required by USA Hockey to have medical personnel on site during the entire District and/or National Championship Tournaments. The on-site medical staff may consist of a combination of Doctors, Nurses, EMT's or Certified Athletic Trainers.

The on-site medical staff will have the over-riding authority to determine if a player's injury warrants removal from the game and/or referral to the local medical facility. If a player is referred to the local medical facility, and intends to return to play, the player must provide the on-site medical staff with a written release from the doctor who examined him/her and determined that the player was able to return to play.

No coach, team doctor, team trainer, parent or guardian may take responsibility for the player returning to the ice without the approval of the Tournament host's on-site medical staff. There will be no exceptions, even if a player's parents happen to be a doctor or other medical professional. Only the on-site medical staff can approve the players return to the ice.

This is the minimum standard to be followed for return to play following an injury/concussion. If state laws require higher standards of care then those state laws shall be followed.

B	2	0	1	0	6	1
C	2	0	1	0	6	1
D	2	0	1	0	6	1

The tie-breaking rules are as follows:

- The results of only the head-to-head games played between the tied teams in the following order:

Day 1

C	D

Day 2

B	C

C	1	0	1	0	3	7	7	0	1
D	1	0	1	0	3	11	8	+3	1

- Most points earned.**

All three teams (B, C and D) are tied with 3 points each.

- b. **Most total wins (whether in regulation, overtime or shootout).**
All three teams are tied with 1 each.
- c. **Most regulation wins.**
All three teams are tied with 1 each.
- d. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**
D differential: +3
C differential: 0
B differential: -3

The differential places Team B in third place with a goal differential of -3, Team C in second place with a goal differential of 0 and Team D in first place with a goal differential of +3.

Therefore, final standings for this scenario are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
D	2	0	1	0	6	1
C	2	0	1	0	6	2
B	2	0	1	0	6	3

- Most total wins (whether in regulation, overtime or shootout).**
All three teams are tied with 1 each.

c. **Most regulation wins.**

All three teams are tied with 1 each.

d. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

C differential: +1

D differential: +1

B differential: -2

The differential places Team B in third place with a goal differential of -3 while Teams C and D remain tied with differentials of +1. We can now determine the position of Team B is third place.

If at any point during the application of the tie-breaking rules, any or all of the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin again at Step 1 for any teams that remain tied.

The standings for this scenario so far are:

A	0	0	3	0	0	4
B	2	0	1	0	6	3
C	2	0	1	0	6	1
D	2	0	1	0	6	1

And we begin again at Step 1 to break the remaining tie between Teams C and D.

- The results of only the head-to-head games played between the tied teams in the following order:

Day 1

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.

a. **Most points earned.**

Team C earned 3 points and Team D earned 0 points in their head-to-head game. We can now determine that Team C is first place and Team D is second place.

Therefore, the final standings for this scenario are:

D	A

Day 3

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
A	0	0	3	0	0	4
B	2	0	1	0	6	1
C	2	0	1	0	6	1
D	2	0	1	0	6	1

The tie-breaking rules are as follows:

- The results of only the head-to-head games played between the tied teams in the following order:

Day 1

C	D
4	3

Day 2

B	C
4	2

Day 3

B	D
3	6

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A									4
B	1	0	1	0	3	7	8	-1	1
C	1	0	1	0	3	6	7	-1	1
D	1	0	1	0	3	9	7	+2	1

- Most points earned.**
All three teams (B, C and D) are tied with 3 points each.
- Most total wins (whether in regulation, overtime or shootout).**
All three teams are tied with 1 each.

c. **Most regulation wins.**

All three teams are tied with 1 each.

d. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

D differential: +2

B differential: -1

C differential: -1

The differential places Team D in first place with a goal differential of +2 while Teams B and C remain tied with differentials of -1. We can now determine the position of Team D is first place.

If at any point during the application of the tie-breaking rules, any or all of the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin again at Step 1 for any teams that remain tied.

The standings for this scenario so far are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
A	0	0	3	0	0	4
B	2	0	1	0	6	2
C	2	0	1	0	6	2
D	2	0	1	0	6	1

And we begin again at Step 1 to break the remaining tie between Teams B and C.

- The results of only the head-to-head games played between the tied teams in the following order:

Day 2

B	C
4	2

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A									4
B	1	0	0	0	3	4	2	+2	2
C	0	0	1	0	0	2	4	-2	2
D									1

a. **Most points earned.**

Team B earned 3 points and Team C earned 0 points in their head-to-head game. We can now determine that Team B is second place and Team C is third place.

Therefore, the final standings for this scenario are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
D	2	0	1	0	6	1
B	2	0	1	0	6	2
C	2	0	1	0	6	3
A	0	0	3	0	0	4

SCENARIO #4

In the following scenario, there is a 2-way tie for first place and a 3-way tie for third place. Four teams need to be placed into the quarterfinal bracket.

A	D

B	E
0	3
C	F
9	0

E	A
2	4
D	C
0	5
F	B
0	6

A	F
8	4
C	E
4	1
B	D

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A	3	0	0	0	9	19	6	+13	1
B	1	0	0	0	3	4	0	+4	3
C	3	0	0	0	9	18	1	+17	1
D	1	0	2	0	3	3	14	-11	3
E	1	0	2	0	3	6	8	-2	3
F	0	0	3	0	0	4	23	-19	6

First, we need to break the tie for first place between Teams A and C. Because the two teams did not play each other head-to-head, the tie-breaking process will begin with Step 2.

2. If after applying the formulas of 1 a, b, c, d, e and f the tie still exists, the results of all the games played by the teams tied in the following order.
 - a. **Most total wins (whether in regulation, overtime or shootout).**
Both teams are tied at 3 wins.
 - b. **Most regulation wins.**
Both teams have 3 regulation wins.
 - c. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**
C differential: +17
A differential: +13

The differential places Team C in first place with a goal differential of +17 and Team A in second place with a goal differential of +13.

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A	3	0	0	0	9	19	6	+13	2
B	1	0	0	0	3	4	0	+4	3
C	3	0	0	0	9	18	1	+17	1
D	1	0	2	0	3	3	14	-11	3
E	1	0	2	0	3	6	8	-2	3
F	0	0	3	0	0	4	23	-19	6

Next, we need to break the tie for third place between Teams B, D and E. Because the three teams did not all play each other, the tie-breaking process will again begin with Step 2.

2. If after applying the formulas of 1 a, b, c, d, e and f the tie still exists, the results of all the games played by the teams tied in the following order.
 - a. **Most total wins (whether in regulation, overtime or shootout).**
All three teams are tied with 1 win.
 - b. **Most regulation wins.**
All three teams are tied with 1 regulation win.
 - c. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**
 B differential: +4
 D differential: -11
 E differential: -2

The differential places Team B in third place with a goal differential of +4, Team E in fourth place with a goal differential of -2 and Team D in fifth place with a goal differential of -11.

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
C	3	0	0	0	9	18	1	+17	1
