MESSAGE FROM

Director of Coaching/Bobby Holden

We are in one of my favorite times of the year! Spring season is here, with all of the games, tournaments, and training! Four teams just returned from a very successful St. Louis tournament. Challenge Cup, President's Cup and State Cup games will be starting soon (see schedule on slide below). Good luck to all of our teams playing in Cup games!

Please mark your calendars for ***Impact Tryouts on Monday, June 12th*** at Mt. Vernon High School. More details such as specific times, a registration link, etc. will be sent out as we get closer to the date.

A special message to our Impact Coaches, Players, and Fans:

Please remember our code of conduct at games. We love our fans who encourage the players, let the coaches coach, and support the referees. We have lots of new referees who help us keep the games going. The shortage of referees has been addressed, but the new referees we have recruited will need time to figure out this side of the game. Please be patient and positive. Help set the tone for a fun soccer season!

ENGLAND TRIP 2023

Eighty-two Impact SC members went to England in March as part of a program provided to us by our Partners at Adidas. The trip was filled with training, games, sightseeing, a Premier League match and a Championship League match all in Manchester and in London.

The teams were split by age groups for Manchester United Academy training by day and competing against other local clubs by night. The players' development was incredible and from top class Manchester United Academy coaches. Each day we had a new focus and our players did great! Our matches were competitive and we even squeaked out a couple wins!

The sights were amazing from Buckingham Palace to Big Ben, Windsor Castle to the bustling metropolis of Manchester, our group was able to soak in the grand sights of England.

We were able to utilize our time and fill it with rich soccer history. We were able to visit the home of the historic Queens Park Rangers and watch a match. Then to Old Trafford for an amazing tour of the largest club in the world. We were also fortunate enough to watch the FA Cup match between Manchester United and Fulham FC. The World Football Museum in downtown Manchester was amazing and educational. We were able to visit a half dozen different youth soccer clubs around the area, which were rich in history in their own ways. As we headed back to London, we stayed at the very nice Chelsea FC's hotel at the Stamford Bridge Stadium. Finally, we scratched off some bucket lists for a few coaches and players as they headed to Arsenal to tour their amazing stadium and learn about their rich history.

We came back inspired and thankful for the experience!
