NATION FORD

FALL SPORTS PROGRAM 2020

Unlike most financial institutions, our priority is you.

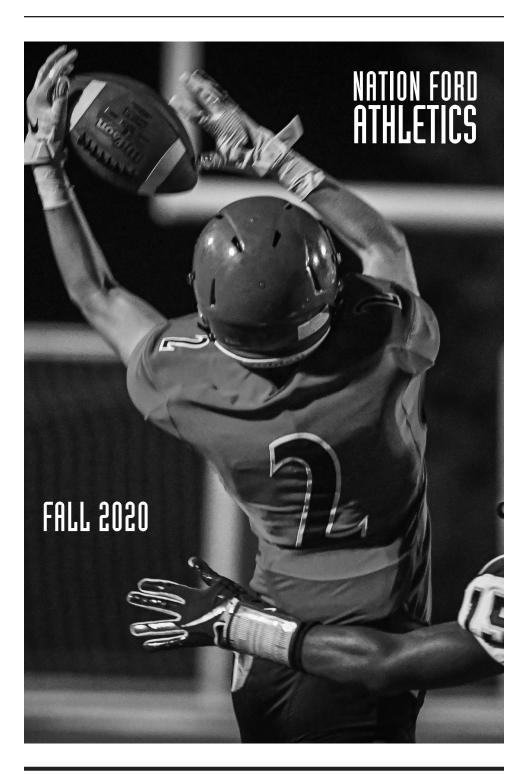

Whether you are looking to refinance your house, upgrade your vehicle, save for your child's education, or you simply need an easier, more convenient way to manage your money — we're here to make it happen.

Being a member of the Family Trust Federal Credit Union has its benefits. Like higher rates on deposits and lower rates on loans. Not to mention fewer and lower fees.

Our Mission: Nation Ford is dedicated to support all student learning through faculty collaboration and a sense of family.

Nation Ford Family,

Welcome back to another tremendous year with Falcon football. Head Coach, Michael Allen, and his staff have put in the work this summer to prepare our football student-athletes for an outstanding season. Personally, I appreciate your support as we develop a positive, family atmosphere which celebrates the tremendous hard work and accomplishments of our young people.

The NFHS Faculty and Staff value interscholastic sports and recognize the important role it plays in the lives of our students. Sportsmanship and teamwork are the two of the most important skills high school students will learn-this happens most effectively on the sports field. The NFHS Administration and coaching staff are committed to providing each athlete with a positive experience in which they refine their athletic skills and develop strong relationships with their peers and caring adults. Sports and extra-curricular activities are fundamental to the growth and maturity of teenagers. We know that athletics is an engine that drives school spirit and promotes academic achievement in the classroom. We greatly appreciate the effort of our coaching staff, classroom teachers, support folks, and our awesome parents to make this a special place for our kids.

Tonight would not be possible if it were not for the efforts of the NFHS Athletic Booster Club- this group is made up of our most dedicated fans and caring parents- thank you! We also want to recognize Mr. Jaybe Shackleford, NFHS Athletic Director, for the tremendous amount of work and hours he pours into our athletic program. Finally we appreciate the hard work of our coaching staff as they strive to build relationships and continue leading class act programs.

I know you will enjoy the game this evening and ask that you be gracious to others around you as you cheer on our Falcons. If at any point you need assistance, do not hesitate to call on a Nation Ford Administrator or a Fort Mill Police Officer. Have an outstanding night!

Sincerely,

Jason B. Johns Principal

James N. Epps, Jr., Ph.D Superintendent

Dear Nation Ford High Family and Friends:

Welcome to Nation Ford High School and the 2020-2021 athletic season! Your support of our extracurricular activities is truly appreciated and we hope that your fan experience will be special.

I am honored to serve as the Superintendent of the outstanding Fort Mill School District, the fastest growing district, per capita, in the state. One of our strengths is a high level of parent involvement evident in our district and I am excited to have the opportunity to work with such a supportive community. In spite of the robust growth rate, thanks go to our local citizens for their historical financial support of the district as evidenced by the outstanding athletic and academic facilities that our students enjoy today.

There is a long tradition of academic excellence and high expectations in all extracurricular activities. We must continue to work together to build on the tradition of excellence while never being satisfied solely with past successes. We owe it to our students to strive for continuous improvement.

We also welcome all visiting team fans. We trust you will have a good experience and let us know if we can assist you in any way.

As spectators and supporters of the various teams, squads, and bands this year, you are certainly aware that the students who are participating have already devoted a great deal of time and energy to prepare for this season. We all join together to applaud them for their dedication and commit our support to their efforts. We also extend our gratitude to the coaches, directors, teachers, and parents of these students for the support and encouragement that they continue to provide to these young people.

If you are not already a volunteer or member of one of our booster clubs, I encourage you to please consider becoming one this year. Without the support and participation of these organizations, many of the opportunities that are afforded our teams would not be available. Participation by parents and community members is essential to creating a winning attitude at Nation Ford High School and throughout the community.

I hope you enjoy tonight's game and will continue to support all of the extracurricular activities in our schools. Best wishes to each of you during the 2020-2021 school year.

GO FALCONS!

Sincerely,

James N. (Chuck) Epps, Jr., Ph.D.
