Other Committee Notes

- Big Fish / Little Fish Events for January
 - 8U players skate out with Varsity Players during home games (Sign up genius)
 - Varsity Player Attendance for Mitchell Mite Tournament January 25-26th.
- The Marlins Costume is being fixed (Megan was able to get the costume at no cost to the association, due to quality issues). Goal is to try and get it in use by Pink the Rink, but could take longer.
- More discussion on how we can use the PCA tools that are available to us. The PCA event was positive, but how do we continue the focus? Also, discussed how much do we want to make mandatory? Concern of overloading parents, coaches, and players. Therefore, causing PCA to be a negative rather a positive for our association.
- Community Outreach Events have been very successful thus far. Committee Reps will send pics and info to Eric Sabers for Social Media exposure. Once all projects are complete, Ben will combine all pictures/stories and submit to the Mitchell Republic for community wide awareness.
