

# **Ronnie Radke Helping Hand Scholarship**

Ronald Radke was an avid Byron Wrestling Supporter and a sports junky by nature. He loved nothing more than watching sports and coming to watch the Byron Wrestlers wrestle which included his grandson's. Ronnie always wanted anybody and everybody to be able to participate in this great sport that we all love. Sadly, Ronald Radke lost his battle with cancer. Before his death he wanted something good to come from his loss. He wanted to have funds available for any child who wanted to wrestle. So with help from his family and his friends and on behalf of the Gene Radke Memorial Golf Tournament, some of the proceeds are to help youth children be able to wrestle. Below is a Ronnie Radke Helping Hand Scholarship Application to help allow your child to participate in the Byron Youth Wrestling Organization. Thanks
