

Introducing the Woodford Baseball/Softball Club Travel Program

A Smarter Path for Player Development in Baseball & Softball

The Woodford County Youth Baseball & Softball Association (WCYBSA) is proud to launch the Woodford Travel Ball Program — a new travel-style opportunity designed to complement our traditional rec league and offer a flexible, development-focused path for players and families.

What Is the Woodford Baseball/Softball Club Travel Program?

- Blends competitive tournament play with community spring rec league participation
- Backed by WCYBSA's nonprofit, 100% volunteer-led mission (www.wcybsa.org)
- Open to current and potential WCYBSA players
- A great fit for families seeking a higher level of competition without the full-time demands or costs of traditional travel ball

Program Outline (*Individual Team Schedules May Deviate Slightly Based on Age Group/Needs*)

- **Late Summer:** Tryouts + Team Selection
- **Fall:** Tournament season (varies by team)
- **Winter:** Downtime & Optional Indoor Workouts (varies by team)
- **Spring:** Rec League Season (required)
- **Summer:** Tournament season (varies by team)

What We Offer

- ✓ Individualized Coaching and Development Plans
- ✓ Affordable, Community-Based Model
- ✓ Balanced Schedule with Seasonal Downtime and Flexibility
- ✓ Free Team Access to Outdoor Fields & League Covered Insurance

Built for Balance

The Club program is thoughtfully designed with youth balance in mind. There will be dedicated periods for baseball or softball focus, but also natural down periods throughout the year. This structure allows kids the seasonal flexibility they need to explore other passions or just time to be a kid. Our goal is to support well-rounded development both on and off the field.

Cost & Commitment

- Registration fees cover travel uniforms, spring rec season, and team insurance
- Travel tournament costs vary by team and are pay-as-you-go.
- Families should plan for a competitive tryout process (team placement not guaranteed)
- Coaches will share team-specific expectations and schedule expectations at tryouts
