

FLIP THE PAGES THIS SUMMER

June 14-September 3, 2021

At Jam Hops we believe that having a strong mind and strong body go hand in hand, so we are offering a Summer Reading Program for Jam Hops' Students. Students will receive "JH bucks" as they track and turn in their reading minutes throughout the summer. One "JH buck" will be rewarded for every hour (60 minutes) of reading completed. JH bucks can be used for anything Jam Hops related; tuition, camps, activities, birthday parties, open gym passes, etc. If you would like to purchase something from the Pro Shop using your JH bucks, each buck will be treated as 50 cents towards your purchase (i.e., a \$44 dollar leotard would need 88 JH bucks).

Use the tracking sheet below (print or pick-up at Jam Hops) to record the book title, date, how long you read for, and include an adult's signature. Students that aren't able to read on their own yet can have an adult read to them and count those minutes. You may turn your tracking sheet in to a Customer Care Representative when you want to receive your hard-earned JH bucks!
