

Become a Local Sponsor of a Boys & Girls Clubs – Alaska Athletics Team!

Local team sponsorships are a crucial part of any athletic program. Through Local Team Sponsorships, the Boys & Girls Clubs – Alaska Athletics Department is able to refurbish and replace equipment, provide uniforms, purchase the sports supplies needed for each sport and maintain the fields/facilities. Additionally, our coaches are able to take advantage of coaching education opportunities through coaching courses which, ultimately, benefit the athletics experience for all children. In return, your business will benefit through brand awareness, image enhancement, possible increased sales, and a return on investment that benefits the community as a whole.

Currently, over 1,600 athletes, between the ages of 3 – 18 years old, participate in our Athletics programs, which include sports like Basketball, Volleyball, Indoor Soccer, Football, Soccer, and Flag Football.

All Athletes registered to a Boys & Girls Clubs – Alaska Athletics program receive a uniform package (specific to the sport the Athlete is registered for) which will always include a jersey. Currently, ConocoPhillips Alaska is the title Good Sport Sponsor for the Boys & Girls Clubs – Alaska, with their logo being featured on the front of all jerseys. Local Sponsors of BGCA Teams are also featured on a secondary location of the team jersey with prominent visibility of the Sponsor's name/logo.

In addition to a Sponsor's name/logo being featured on a BGCA Athletics Team's jersey, the Boys & Girls Clubs – Alaska will also offer the following to our Local Team Sponsors, depending on the Sponsorship Package:

Hall of Fame Sponsorship: \$1,000 / Season
Divisional naming rights for any Division(s) consisting of FOUR-SIX teams to include logo/link placement on website and Registration page for the duration of the one-year
