## *Congratulations!*

2021 GEORGE ANGULO SCHOLARSHIP WINNERS

PETER MONTAVON BETTY SOLOMON

Congratulations to our 2021 George Angulo Scholarship Award recipients, Peter Montavon and Betty Solomon.

Peter was a student at West Springfield High School, but due to the pandemic, he was home schooled his senior year. He'll be attending Christopher Newport University this fall. Peter has played many sports with SYC including basketball, lacrosse, flag football, rugby, and soccer! Throughout the years, Peter has truly been a caring and giving person in our community. He's volunteered in a variety of projects with his Boy Scout Troup. In addition, he's volunteered through the "Volunteer Fairfax" organization, and during the pandemic, he volunteered to help mothers and their babies in need.

Betty is a graduate of Hayfield Secondary School and plans to attend Brown University this fall. She has played basketball and soccer with SYC for several seasons. Throughout high school, Betty volunteered in several capacities, but being an assistant instructor and chef has brought her much joy. Since 2018, Betty has educated children from low-income families about healthy eating. She's enjoyed seeing the children's excitement and happiness in learning how to fuel their bodies and is grateful to have been a part of this program.

SYC wishes Peter and Betty the best of luck this fall and continued success and happiness in the future!
