

Drop-in Clinics

Drop-in clinics are for existing Huskies players and teams and are run by current Huskies coaching staff. Due to so many teams still playing games and/or tourneys, this is a way to keep players and teams on the ice without the teams having to purchase outside ice. Clinic will be skating and drills & then divided up into stations and/or team time. **Drop-in clinics will use current Fall 20/21 USAH ages.**
