1. **Finance** -
  - A. \$216,875.04 - G&A Account.

B. Fundraising - We are having issues again with fundraising. We have a fundraising policy, which is very clear. Block pools are prohibited. Period. We have heard that some are forming. This has to stop. Participation by any coach may warrant removal by the executive board. There also are no workarounds. A parent cannot run a black pool and donate the proceeds to the MRC, Baseball or a team. If a fundraiser involves a game of chance or a lottery, the proper paperwork must be submitted to the State before the event is publicized in any way. Failure to follow these requirements and prohibitions puts our charter in jeopardy.

## 2. **Report of Officers**

A. Recording Secretary - We are implementing an internal policy regarding complaints. Recently, there have been a number of complaints "skipping" straight to the executive board. When a complaint comes in, we will forward it to the commissioner, with a "cc" to the board. Commissioners should let us know what the resolution is so we know whether a grievance may be coming. This aligns better with the Grievance Policy as well.

B. Safety Director - Please have the list of potential coaches sent prior to committing to a coach
