## The Storm FC FUNdaMINIs Program in DFW

Storm FC offers a fun, engaging program for boys and girls aged 3–5. The program installs a fun environment where young players can grow to fall in love with the game. Our professional coaches are all qualified, rigorously background checked and safesport certified. These coaches understand the psychological and biological growth patterns of young children therefore encompassing a full rounded development program.

Players can attend one or two sessions a week in 6 week blocks. The FUNdaMINI curriculum engages the players with and without a ball. Young children will learn through repetition, as well as understanding body part names, understanding instructions, very basic use of technical ball work, biomechanical movement and balance.

Players excelling or earlier developers are identified and moved up an age group or start the introduction to academy soccer through EDP program.

## STORM FC FUNdaMINIS PROGRAM AND EARLY DEVELOPMENT PROGRAM (EDP)

- All games and training sessions are held at Storm FC Training fields across the metroplex
- U4–U5 players have one weekly group training session that is led by a Storm FC Pro Coach
- U6+ teams and players have two weekly group training sessions: one session is led by an Coaching mentorship coach the other by a Storm FC Pro coach
- U4–U6 teams play one game per weekend played at the Storm FC facility for the FUNdaMINIs program area location in our SCDL league or Rec league.
- FUNid Identification Program for U5 and U6 advanced players by invitation only to our academy program

## FINANCIAL AID

The Storm FC Foundation is a program that helps qualified players cover a portion of the required training and league fees. Families benefitting from the foundation will be required to volunteer and fundraise throughout the year. Failure to do so will result in the covered portion be owed back to the club and not have access to financial aid the following year.

## SPECIALTY PROGRAMS

### SPECIALTY PROGRAMMING

Our Specialty programming is additional training for players looking to improve their technical abilities through playing more soccer.

#### Athletic Development Pathway (ADP)

The ADP consists of 3 distinct pathways

#### Community Development Camps (CDC)

This 5 week one session per week camp is designed to give grassroots players access to professional coaching through fun engaging sessions that will have players coming back. Players from this camp can be identified for an invitation to the RDC program.

#### Regional Development Centers (RDC)

This 5 week one session per week program is for more advanced players. It's a non-club development curriculum. With no games on the weekend the curriculum can concentrate on what matters, player development. Each session covers phases, moments and position specific elements. Exceptional players will be identified and invited to the Emerging Talent Program.

#### Emerging Talent Program (ETP)

The ETP is for the serious player wanting to take their game to a more elite level. Players invited to this talent pool will train for the chance to play in Europe biggest tournaments. Open to both male and female players they will have opportunity to compete in Spain, Scotland, Sweden, and England. ETP will take place during school breaks as a camp and during the year in weekly sessions.

#### JM Soccer School – Shooting school

Hone your striking tools with 5 week training sessions. Small group training only throughout the year.

#### GK Club coaching

Club coaching weekly for club goal keepers. Keeper training within Storm FC markets.

#### Shooting School

Shooting school in each market conducted by Nick Fogle, JM Soccer School, JA Player Academy and TC Development.

### CAMPS

#### FUNdaMINis Camps and Programs

FUNdaMINis is a program for the very young player. Players 3–5 years old benefit from one of our professional coaches that utilizes an engaging syllabus that focuses on instilling a love of the game through fun games. Players will develop skills such as listening, basic technical skills, learn body parts and biomechanical movements for soccer.

#### Off season training program

36 sessions: June – August

Evening sessions and Saturday morning sessions available. Information per location on the website.

#### Storm FC Prep Camp

This is a two week camp for players interested in moving to the academy level. Storm FC coaching staff will use this as a tool for selecting players to the correct player pathway teams for their current level of development.

# WHY PLAY FOR STORM FC?

## Storm FC develops players of all abilities

Since our inception in 2004, Storm FC has made it a priority to develop players from beginner to elite talent.

Our club has been built on family and sustainable values. A club that can serve the communities we are present in.

More than placing players into college programs, US national teams, foreign and US pro and semi pro teams. Storm FC build individuals that the community can be proud of.

In order to achieve this our highly experienced and qualified coaching staff use a proven development curriculum that places the individual player firmly at the center of the process.

Our coaches engage with all age and ability players to give them the tools and confidence and freedom to reach their fullest potential and aspirations.

Partnering with key organizations such as JM Soccer School, TopTokers, Trace, TC Player development, JA Player Academy, StormGear Sports, Athlete development Pathway Program and many more provides the players with tools outside of regular team training to continually improve and develop.

## Storm FC focuses on quality coaching

Storm FC provides the most qualified, diversified, dedicated and proficient coaching staff in our area. Our staff includes many past players, college alumni, past professional players, Past National players, European club coaches from England and Scotland as well as Spanish UEFA Pro-A License, Scottish UEFA A-Youth Elite, UEFA B, and US Soccer A, B, C and Youth National licenses.
