Budget Updates

- Uniforms/Hats
 - Here are my updates:
 - I may have preliminary design options back from Champro/General Sports today and if I do I will share those with you to bring to the board. I am still trying to get options for coaches jackets (with pockets 😊) and player warm up gear from Sam, our General Sports rep. I've emailed him today, so hopefully I will have those ready as well.
 - Working on hats with Amanda Neal, our former rep from Zephyr now with CapX headwear. The turnaround time is 10-12 weeks so we should be good there as well.
- Nets at VMS
 - 55ft length - \$600

Fieldhouse Closure

- Final move out date set - our move out is first week of Feb
- Temporary storage at our houses during the gap of moving out and the storage space at the CC

- Dani confirmed we can keep equipment bags in the cage past move out until our coaches meeting in March.
- Possible community marketplace page to pass old equipment on to others in the area.

Equipment

- GameOne orders ready to be delivered - Ryan will coordinate with Gary
- What else is needed?
 - Still need a couple bow net bags
 - Fly ball racquets
