

FdlFSC Return to Skate Plan

Phase 1 - May 26th - July 4

Following USFS [return to rink guidelines](#)

Phase 1 Guidelines: People In Building

- 12 people max in a building
- Building is defined as Zamboni Room, Walkway to B, and Rink B/C
- Lobby & Rink A are “considered” separate building
- Locker Rooms cannot be used and will be locked
- One of the 12 will be a rink employee/volunteer/coach
- While in building all skaters, coaches, employees, and volunteers must maintain social distancing of six feet
- Masks are encouraged for all non-skaters and will be supplied for volunteers
- Parents/siblings/friends etc are not allowed in the rink to view/watch their skaters
- Live Barn is currently in the process of being installed for viewing
- **If you or your skater are showing any signs of illness or have been in contact with known positives - please stay home!**

Phase 1 Guidelines: Entering/Leaving The Rink

- All skaters, volunteers, and coaches must enter through the front entrance.
- Upon entry, skaters will sign in and immediately advance to the Staging Area seats 1-9.
 - Skaters will need to remain in their assigned seats until escorted to Rink B
- The Staging Area is where skaters can get their skates and outerwear on as needed
 - We strongly recommend coming ready to skate with skates on and spending as little time as possible in the staging area
- At the beginning of their assigned time, skaters will be directed by the monitor to enter Rink B/C - do not enter this area until instructed to do so.
- Once in Rink B/C, skaters will be allowed to leave personal belongings in a second Staging Area seats 1-9.
- When done skating all skaters must exit the building through the doors on Rink C.
 - Please put on your guards, collect your belongings and exit immediately allowing rink to be sanitized before next group enters
- Skaters MAY NOT re-enter the lobby staging area after they have been in Rink B. Only coaches, monitors or employees may re-enter lobby staging area
- **If you or your skater are showing any signs of illness or have been in contact with known positives - please stay home!**

Phase 1 Guidelines: Skating

- Players must come dressed ready to skate as there will be no locker room access.
- We recommend that skaters come with skates and guards on
- While on the ice all the skaters must maintain a distance of 6 feet apart - boards will be marked accordingly
- Only bathrooms in Rink B will be unlocked for use. 1 person allowed at a time
- No community water bottles. Each skater must bring own water bottle filled from home
- Any water bottle that is forgotten will be thrown away
- **If your skater is showing any signs of illness or has been in contact with known positives - please keep them home!**

Phase 1 Guidelines: Cleaning

- After each session coaches, volunteers, or rink employee MUST disinfect the benches, boards, lobby chairs/benches, and door knobs.
- We recommend that anything that was touched be disinfected.
- Each evening the entire rink will be cleaned and disinfected.
- After each Zamboni use, the machine is to be disinfected
- Masks are encouraged to be worn. Temporary masks will be provided

Phase 1 Guidelines: Scheduling

- One hour slots (55 minutes of skating time) will be scheduled and paid for via sign-up genius - \$14/slot
- Transaction fee of .50 +5% of total - recommend signing up for all slots at once.
- 3 slots/week/skater
- If utilization is low - members will be invited to sign up for additional slots
- After 5/24 sign-up will be opened to non-club skaters at \$20/slot
- No refunds

Phase 1 Guidelines: Volunteer requirements

- For every 3 skating slots - must sign up for 1 volunteer slot (monitor or zamboni) - Sign-up genius
- Monitor responsibilities
 - Ensure only registered skaters enter rink (sign in sheet)
 - Ensure skaters maintain social distancing by staying in assigned staging area
 - Escort skaters to Rink B at designated time
 - Sanitize lobby areas (chairs, door handles) - supplies will be provided
- Zamboni responsibilities
 - Ice prep
 - Sanitize zamboni
- **If you are showing any signs of illness or have been in contact with known positives - please stay home and arrange for someone to cover your slot!**

Thank you!

- Members
- Coaches
- LTS director and volunteer instructors
- FdLFSC and Blueline Board members for their support of our athletes
- Rink manager
- Volunteers
