

FC PRIDE SOUTH

Interview with the Director LARZ COY

Q: What is FC Pride South?

A: FC Pride South is a satellite location that will run in the southeast area of the city. Creating a satellite allows us to provide access to the highest-level youth soccer experience for soccer players who live in that location.

Q: Why FC Pride South?

A: Moving into the southeast side of the city allows players to access FC Pride coaching in an area with a big soccer community. We will provide quality training to help grow the game and inspire more young soccer players.

Q: What are the benefits to players who play at FC Pride South?

A: FC Pride South players will receive quality training 2-3 days a week while playing in the community which they currently reside. FC Pride South players will also be able to use our state-of-the-art indoor facility and turf

field through the winter months to ensure year-round training. FC Pride South players will have the opportunity to play in front of our ECNL staff which will provide an unmatched exposure opportunity for the athletes.

Q: What experience do you (Larz Coy) bring to the Club? Will I get the same quality experience at FC Pride South?

A: I am currently the head Varsity Girls Soccer Coach at Franklin Central. While working in this position, I have gotten to know the community and what the players in the area need to thrive. Using my resources in the area, I will be able to create the highest quality experience possible for the athletes. The experience will be unmatched in the area. Training sessions will be high quality, organized and productive, while the coaching staff will be professional and experienced.

Q: When can I expect tryouts to be announced?

A: Tryout information is on fcpride.org FC Pride >South Announcement
