ABOUT

The Wisconsin Sports Services (WSS) is a 501c(3) non-profit organization created to serve the youth and adult sports populations existing in Wisconsin.

The organizations hold their non-profit status based on an educational foundation. Both the WSS and MYAS offer educational programs for coaches, umpires, referees, players and parents. The athletic programs are the 'lifeblood' of the organizations where the educational programs provide the 'skeletal structure'.

In five+ years of operation, we have created programs in the sports of youth basketball, youth baseball, youth fastpitch, youth wrestling, and adult slow pitch.

All events ran by the WSS are 'hosted' by a local sports group that shares in the revenues created by the event. Every event is essentially a fundraiser for the local sports groups in the communities of Wisconsin.

NEW! Rising Stars

The Rising Stars Showcase Skills Camps will provide youth basketball players in grades 6-9 with an opportunity to develop their skills and compete against other athletes in a live NBA style combine.

In addition to the combine testing in the morning, this camp will consist of intense skill development, a mixture of competitive half and full court 3 on 3, 4 on 4 and 5 on 5 games designed to develop their individual skills sets and IQ. The last 2.5 hours of camp players will be placed on teams and will compete in live scrimmages to test their individual skills in a team format.

As usual, our camps are capped so we can maximize our time with each participant, and minimize the opportunity for stagnant, stand around time while providing each player with best individual experience as possible.
