

2020 Winter Volleyball Championship Hotel Policy (Please read fully)

Stay to Play at the WVC: All teams that are based outside a 60 mi radius from McCormick Place are required to stay in the WVC room block (via online systems) at our designated hotels in order to **qualify to participate**. We are implementing the following process for 2020.

1. **AES registration will open October 1, 2019.** Teams can only **book** rooms after **registering for the tournament on AES**. This registration signals an intention to participate in the WVC. The **initial** AES registration for the WVC will **not** require rosters, entry fee to be paid, or acceptance into the event. (Those matters must be completed before final acceptance into the event and will be noted on AES.)
2. **Once registered on AES**, the links to the web-based reservation system for each hotel or contact info will be provided to teams/clubs. A **non-refundable fee** equal to **1 night** of lodging per room will be required to hold reservations when booked online. The **Team Name** field must be completed to book a room and to receive **WVC Stay to Play** credit.
3. Most of the rooms in the WVC block will be released for reservation on October 1, 2019. **However, 20% of the double/doubles in the block at each hotel will be held back and released November 15, 2019.** Participants must book directly on each hotel's WVC web-based reservation system or as noted below.
4. Please do not call individual WVC hotels to request sub-blocks unless noted. Sub-blocks will not be held within the block. Reservations may only be confirmed on the web-based system unless noted.
5. **Hotel WVC Hotel Links 2020: Go to www.n3tvolleyball.com for rate information.**

Chicago South Loop Hotel on 26 th St	Kelly Ligue at 312-674-2237 and LaTonya Lindsey at (312)674-2238 or by email kelly@chicagoslh.com or LaTonya@chicagoslh.com
