2018 WIAA/National Federation Football Rules will govern with the following exceptions:

A. GAME LENGTH (4 Quarters with 3 time-outs per half)

- *8th Grade games: 9-minute quarters – no overtime allowed.
- *7th Grade games: 9-minute quarters – no overtime allowed.
- *6th Grade games: 14-minute continuous clock quarters – no overtime allowed. Clock to stop only for timeouts, injuries, scores and changes of possession.

** Half Times to be 5 minutes, 10 minutes between Game Starts unless both teams are ready and the start time is not before the designated times.

B. PLAYING TIME

1. No player may play in more than four quarters per week. An exception may be made if Coaches are notified that a player(s) may need to move up (*or down-if approved*) to help field a team at that level. *Players cannot play down a level unless expressly approved by the D&JC YFL Board. Players playing down must meet the weight requirements at that level if they desire to play at a non-restricted position. If they don't meet the weight requirements, they are restricted players to play on the line of scrimmage, wearing respective blue or white stars on their helmets. Rosters showing players playing down a level should be approved in advance and copies of those Rosters should be sent out to all D&JC YFL Board Members and Officials at least one week in advance of the 1st Regular Season Game.*
2. A quarter of play is participation in one or more plays per quarter.
3. Teams are allowed scrimmages/games with teams outside our League prior to the Sunday, of the week that the D&JC YFL game schedule begins, or after the league schedule ends. An Additional game is allowed with a **League Team** you aren't scheduled to play that season as long as it is the week before the season starts, the Labor Day weekend, or the immediate week after the regular season schedule has ended. The only exception would be if you have a Bye Week or Forfeit/No Game on the schedule. You could then arrange a game or scrimmage on your own with another organization not affiliated with this league. Just always make the Board aware of this please.
 - a. Scrimmages are defined as any practice in which two or more organizations participate in, whereby player to player contact takes place.

C. SCORING / KICKOFFS AND PUNTS

1. Two points for kicked extra point, one point for run or passed extra point.
2. A team may have the option of receiving the football at their own 35 yard line after any score or at half, if, they are 18 points or more behind.
3. In the event that a team is ahead by 18 or more points and records a safety, the team behind will again receive the football and begin possession on their own 35 yard line.
4. **6th Grade Modified Punt Rule** - On 4th down, or any other down where a team may elect to punt, the referee must be notified before the play may occur. Time is stopped after the punt and is restarted once the receiving team snaps the ball. The punting team has 25 seconds to punt the ball after notification. The defensive team must have a minimum of six players on the Line of Scrimmage (LOS), and may not rush the punting team, or punter. No players on the punting team will be allowed to go down field. The ball will be placed and designated downed, where the ball is controlled. If the ball bounces backwards, it will be placed where its forward

progress stopped. If the receiver fumbles the ball forward, the ball will be returned to where the catch was attempted. If the receiver fumbles the ball and it goes behind him, the ball will be placed and considered downed at the point where it is controlled. If the ball goes into the end zone after it was touched by the receiving team, the ball will be downed at the point of deflection. If the receiving team catches the ball on the fly, five yards will be rewarded to the receiving team from the point of the catch. There shall be no contact made during the punt for any reason. If contact is made and the referee feels it is aggressive and premeditated, a 15-yard penalty shall be assessed. All teams are allowed to long snap the ball to the punter. If the snap is muffed or dropped, the ball may be picked up and punted from the punter's original position. There will be no rush.

For 7th and 8th Grades only:

- A. The WIAA freshman rules will be adopted with the following changes:
1. The center is protected on punt and extra point snaps. There are no limits as to how many players can rush the punter or kicker. "Blue or White star players" on either line of scrimmage cannot advance the ball.
 2. A Blue or White Star punter may not advance the ball by way of running the ball. They may however throw the ball downfield in addition to punting the ball if no attempts to advance the ball are made. They must remain stationary. If they advance the ball or roll out, the play will be blown dead and the down lost.
5. **Modified Kick-Off Rules 6th – 8th Grades** – Due to concerns for safety at these age groups, **there will not be kick-offs**. At the beginning of the game, and after scores, the receiving team will be awarded the football at their own 35-yard line.
6. **Extra Points Kicks** – Extra Point Kicks are worth 2 points, the centers are protected. There is no rushing the kicker in 6th and 7th grade. 8th Grade Teams follow WIAA Freshman Rules, the center is still protected but anyone may rush the kicker.
