Hi **Person**,

I am a student-athlete at Xcel Volleyball Performance and myself and my team are selling 50/50 raffle tickets to raise money to help pay for this season's travel costs. Tickets are \$20 and half goes to pay for my dues and half goes to the winning pot. First prize is 70% of the winning pot and second prize is 30% of the winning pot. You can pay with cash, check or electronically with **(insert your Venmo/ PayPal etc if you want)**.

**(For email or social people who don't live nearby add this)**, Even if you don't live nearby, you can participate! Just send me your name and phone number and I'll write the ticket out and send you a picture of your receipt, and I will submit it to our coach, so you are entered in the drawing.

Thank you for supporting me and our team!
