PERCENTAGE POINTS

AFTER 10 hard, hot, tough INNINGS  
WE ALL WENT HOME disappointed, angry,  
frustrated & depressed. How come we lost  
if they won. BASE RUNNING played a big  
part. Discipline (we argued more & played  
ball less than in any other game - it breaks  
your concentration) MENTAL ATTITUDE -  
we didn't come to win (guys come late,  
tired, over confident) we were Not Thinking  
about the Next Play (how many out? why am I  
up? what is my job?)

The Big Play! - Bottom of 7<sup>th</sup> -  
Nobody out - Runners on 1<sup>st</sup> & 2<sup>nd</sup> -  
WE TRAIL by 1 RUN. LET'S analyze &  
Learn from our Mistakes!

Morris Cohen - I have to KEEP my EYE ON the Coach -  
I am Flying run - I must get to three - my purpose  
is to SCORE → OR we lose.

Eddie C. I am the winning run - Nobody out -  
I just have to get into scoring position - IF I score WE WIN!

Sammy K I have to advance Morris to three  
(nobody out I can sacrifice myself) OR knock him in -  
I should not take chances on the bases - IF EDDIE IS

out I am the winning run (otherwise I don't count).

R.B. Coaching 3<sup>RD</sup>. I should consider the situation from all 3 angles Then WATCH THE PLAY develop. I should not get involved. I am there to help my teammates → They are caught up in the action! (I missed Eddie & didn't stop Jimmy K in time - Coach is as much to blame as they are)

LET'S NOT DWELL ON DEFEAT!  
We played a tough team - WE lost in 10 innings. TWICE they thought they had us & we bounced back. A few times they thought they had it won & we cut them down. There were many bright spots (see batting avg. page). We now have ONLY 3 LOSSES - LEAST in the LEAGUE - WE ARE STILL IN FIRST!  
Our Objectives have not changed from last week - WE ARE STILL THE BEST TEAM!!

LET'S PROVE it on the field This Sun & for the balance of our schedule  
COME SUN - COME EARLY - COME TO WIN (2)  
BOUNCE BACK!! CAPT

Ps. of the 3 losses it took 2 TEAMS Extra Innings to beat us
