

## BANNER SPONSORSHIP PROGRAM

### Osseo Baseball Booster Club

February 2026

Dear Prospective Business Sponsor,

We are asking for your business sponsorship to support the Osseo High School spring baseball and summer baseball teams by being part of our **Banner Sponsorship Program**. High school athletic programs must now rely on fundraising activities to cover their budgets as school districts are no longer able to provide the funding necessary to cover all of the operational costs of the athletic programs. One of the cornerstones of the Osseo Baseball program has always been the support of its local business sponsors. Osseo Baseball takes great pride in displaying the banners of our sponsors throughout the spring and summer baseball seasons.

As a direct result of our sponsors' financial support, we are able to purchase necessary baseball equipment, and we are able to make significant improvements to our baseball facilities. This helps to provide an opportunity for our high school players and keeps our teams competitive. We hosted the Legion Baseball Sub State Tournament in 2021 and 2024 bringing approximately 1,300 attendees each year to our field. We hope to be able to do that again in 2026. We always receive many compliments from players, coaches and fans about our baseball facilities. We are very proud of our facilities and of Osseo Baseball!

A large portion of our budget is directed towards field maintenance, field improvements and coaches' salaries. The improvements to the facilities benefit both the high school and the summer teams that play approximately 60 home games from April to August.

Our spending priorities are typically the same each and every year. This year they include:

- Assistant coaches' salaries
- Player equipment (i.e. catcher's gear, bats, baseballs, etc.)
- Field maintenance (i.e. infield leveling, fertilizer and weed control, sod repair, etc.)
- Our major field improvement project. Please see the Osseo Baseball website describing our exciting Legacy Project

We ask that you *please* consider a sponsorship to the Osseo Baseball program. A banner with your company information will be proudly displayed at Memorial Field from April through October and your business logo will be included on the Osseo Baseball website with a link to your business' website home page. The sponsorship fee is for one year (March 1<sup>st</sup> to February 28<sup>th</sup>). In return, your business will be promoted with in-game announcements, distribution of promotional materials that you may supply, and an invitation to you and your employees to the "Sponsor Appreciation Game".

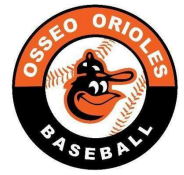

To become a proud sponsor of Osseo Baseball, please complete the attached enrollment for. We appreciate your time and consideration. If you should have any questions, please feel free to contact any of us listed below.

Sincerely,

## Memorial Field Banner Sponsorship Program enrollment form (includes free website sponsorship)

There are several options for size of the banner and the location it is placed around the field. Several locations have limited space and are reserved based on the order in which the completed form and payment is received. There is an initial cost associated with making the banner, which varies depending on the banner size. The life of a banner is typically around 3 to 4 years depending on weather conditions, so an existing banner may be re-used while it is in good condition.

All banners will be proudly displayed from April through October at Memorial Field. Banners are taken down in the fall and stored indoors during the off season. Sponsorship options and pricing – please select the option that works for you:
