Cutoff date for Quota Total **January 31st**

Cut-off or point list results as of **January 31st**, using the point list of **February 4th**.

**U-16 Divide the cr 2 quota into two SILOS. Rank all eligible cr2 athletes using World Cup Points for SG - GS - SL**

60 or 80 percent to be awarded to our athletes with the best point profiles, using world cup points

40 or 20 percent to the rest that may have not been afforded an equitable opportunity to score points.

***Consider the 60/40 only because the first year U-16's are highly disadvantaged, very few SL scoring opportunities.***

**U-14 Rank eligible cr2 athletes using world cup points for SG - GS – SL**

60 percent selected - upon the highest point total until the first silo is filled

40 percent for all unselected athletes who submit an entry will be drawn out of a hat to fill the remainder of the quota.

or 20 percent to second year U-14
