Board Member Updates

## **President updates:**

### **Coach Updates:**

Camps are going well. Jordan is looking for ways to promote the camps, have the kids cascade the information & potential for flyers.

For anyone that has registered for the other camps, potential to email the parents for 3rd, 4th, 5th grades to raise visibility to Thursday clinics.

High school attendance has been good, averaging 30-35 girls.

Could we have sponsor donors for the tournament? We would put up banners for local businesses. Joe V is looking into this.

### **Parent Liaison update:**

### **Vice President update:**

-

### **Treasurer update:**

### **Secretary/Social Media:**

**Webpage:** Angela and Clayton Taylor will spend time in August refreshing our website. They are the parents of Millie, an incoming 6th grader, and designed St. Michael's webpage.

Lots of registration interest so far, new 3rd & 4th grader.

### **Travel Director:**

Tournament date is good; Will be published

Clinic camp dates are Aug 12th & 15th

Evaluation camp dates are Aug 20th & 22nd

### **Tournament Director:**

Buffalo tournament:

- Tournament is up on the website. Have had 2 good leads so far & want to continue to post current contact information.
- Will we combine levels? Believe we should not combine levels. Also potentially will continue to evaluate the different classes within grades.
- Will add 3rd grade 'c' and subtract 8th grade 'a'

3rd grade: Becker canceled last year, but it was a good tournament so believe this should be the one attended.

**DIBS/Website Administrator:**

**Equipment Director:**

Need pennies; Chris will purchase

**Meeting Adjourned at:** 8:56pm

Motion made by Joe V to adjourn the meeting, seconded by Andy V.
