- **Off-season indoor facilities scheduling and plan**
- **open/get a discussion going about schedules next yr and trying to have more games on nights. Tues night with junior league the ball park was empty by 7pm since there were very rarely games after 5pm. We had less teams this year so that's part of it but maybe next year we play across less days and put more leagues on the same days. Might give us some more breathing room on rain days so poor Brenna isn't pulling her hair out.**
