**General:**

JDIA will continue to do health screening of youth, status quo.

Water bottle protocol: Don't share bottles, slipping straw under mask encouraged, okay to temporarily remove mask to drink if distanced.

Temporary is less than one minute.

Cohorting of skating groups encouraged.

Vending machines will be operating. Water fountain is not available, but the Water filling station is-please bring your own bottle or purchase a reusable Treadwell tumbler for \$20.00.

**GAMES during level 1, 2 & 3 -TBD (not approved by EOC)**

2 people max in score box MUST BE OF SAME COVID BUBBLE (spectators)

No penalty box attendant allowed

REFEREES - To provide appropriate space for referees, we are opening up Locker room (LR) 6 and ask that a ref check out the LR key at the front desk before each session. Staff will clean the locker room in-between each session. Note: the ref room is no longer available and the door code has been changed to avoid confusion.

LEVEL 1-3 - Patrons, refs, goalies, skaters, etc are required to enter and exit the rink 15 minutes before and 15 minutes after the ice time.

**Locker Rooms (EOC Approved)** - JDIA coach/safesport parent must sign out keys to locker rooms 15-20 minutes before ice time. Masks are required at all times. Showers not available. Everyone must vacate & Keys MUST be returned 12-15 minutes after ice time.
