  - In 2026, the TCO Rink will be reduced to an NHL sized rink from the current Olympic size rink.
  - The 3<sup>rd</sup> rink project is running slightly behind schedule but not significantly so far.

**Hockey Updates**

- **Boys Traveling – report by Jason Rogowski**

- Thanks to Dave, Colin, and all others that helped running the largest Junior Gold tryout we've ever had!
    - The quality of hockey and the player growth at that level is amazing.
  - Seasons well under way at all levels now, lots of tournaments in the next couple of weeks around the holidays
  - Early feedback at the Squirt B1 level — the reduction in District games from 18 to 10 has caused some heartburn
  - It's a lot of time and effort to plan that many additional scrimmages, and most other teams have 18 district games and no room in their game limit
  - Still dealing with a rash of injuries at the Bantam B2 level, but getting some kids back healthy after Christmas, which should help.
  - Not much else to report — hopefully everyone is enjoying the season so far! Happy Holidays!
- **Girls Traveling – report by Brandon Erickson**
    - Girls travel season is going well, no issues to report.
    - Reminder that the OMGHA Girls Hockey Day is planned for Saturday 25 Jan 2025, Maple Grove girls face off against Osseo Park Center girls. JV 5:30, Varsity 7:30 at the Osseo arena. Game will include OMGHA girls playing at intermission. No OMGHA girls practices are planned for that evening, families/teams are encouraged to attend!
