

Chicago Style 2020 - Parking and Transportation

Updated 2/5/20. Most recent changes highlighted in yellow. Please refer to www.chicagostylemeet.com for most up-to-date information.

We are proud to be hosting our 22nd Annual Chicago Style Gymnastics Meet at **McCormick Place** in 2020! McCormick is located just minutes south of downtown Chicago facing one of the most iconic skylines in the world! But its idyllic setting can create challenges for those not used to traveling in the area.

PLEASE LEAVE PLENTY OF TIME FOR TRANSPORTATION AND

PARKING! It is difficult to predict how long transportation and parking will take because it will vary based on day of week and time of day. Friday has the usual rush hour traffic challenges. And, though housed in different buildings across Lakeshore Drive, the Chicago Auto Show will also be taking place at McCormick Place the same weekend and may create traffic or parking challenges at various times.

The purpose of this document is to provide our gymnasts, parents, spectators, coaches, judges, and volunteers with the information needed to ensure that you are able to get to our Chicago Style meet on-time and ready to “Chicago Style.”

We WILL provide free shuttle bus transportation to/from McCormick and the Sheraton this year but NOT from the Marriott. In the event that our primary Parking Lot C is full, we will also provide free shuttle bus transportation from Parking Lot B to Gate 27 from 11 am -11 pm daily. We do not anticipate a need for overflow parking for anyone attending the 8 am sessions.

We’ve probably gone a bit overboard but please keep this information as a handy reference. Also, you can follow us on
