

## **Saco Junior Trojans Football Uniform Loan Agreement**

To help ensure the continued success of Saco Junior Trojans Football and to improve the management of our assets, we have implemented a **Uniform Loan Program**. The goal of this program is to help maintain the quality of our uniforms so we are able to offer them to our families from season to season. With this program we are also able to improve the management of our expenses. This program allows us to minimize equipment loss. This program will ensure that those responsible for lost or non-returned equipment will be held accountable for the cost of replacing these assets.

Loaned uniforms for players in grades 2-6 will include a game jersey and game pants. Loaned uniforms for players in grades 7 and 8 will include 2 game jerseys and 2 game pants (home and away) as well as a practice jersey. The numbered jersey given to each player will be noted at the time of distribution. Other distributed items will include a belt and game socks which will be the players to keep.

### **The Agreement:**

This agreement acknowledges that my child will receive a Saco Junior Trojans Football uniform for use during the football season. My child and I acknowledge that the uniform must be returned at the end of the football season. I agree that if my child fails to return the uniform to Saco Junior Trojans at the end of the season or at the end of my child's participation in the football season for any reason I will be liable to Saco Junior Trojans for the cost of replacing the uniform. If my child's uniform is not returned I agree to pay for the replacement of the uniform.
