

MEMBERSHIP REFUND POLICY

Every person that wants to try out for a club must first become a member of USA Volleyball. The junior player membership fee is \$52 and registration can be completed on the **JOIN NOW** tab at www.deltavolleyball.net. Much of the \$52 membership fee goes toward insurance not only for the player but also for the club and facility.

We understand if you are new to Junior Volleyball that you might not be completely sure that this is what your child wants to do. No worries. As a service to those who live within the Delta Region ~ *If your child is not injured* during the tryout process, the Delta Region will issue a refund of the full \$52 USA Volleyball membership cost and cancel the membership if he/she decides not to play this season. **Please note: if he/she sustains an injury we cannot refund the membership fee due to the fact we will need the insurance coverage to remain in effect for the athlete and the club.**

The Delta Region mission is to promote, develop and expand volleyball opportunities for individuals within the region. We hope that everyone who attends a tryout will find a club to join. Unfortunately, not all clubs have the resources (*mainly coaches and gyms*) to keep everyone who goes through the tryout process. Athletes who do not make a program should not be discouraged. Clubs within the Delta Region values highly hard work, determination, and improvement over time. Every year is a new tryout year and Delta Region clubs look forward to athletes trying out in the following year and working to make a program.

If you want to request a refund, fill out the form on the next page and email to the **Delta Region** office by December 1. No refunds will be issued after the deadline date of December 1st.

Please note: Issuing refunds is a service provided by the Delta Region for those who live within the region's boundaries—not all regions issue refunds to athletes who try out.
