FINAL STOP: ORANGE COUNTY

Reno looks to close out the longest road trip of the season with three points against Orange County. The trip kicked off last Wednesday with a 3-2 comeback win over OKC Energy FC, and the boys in blue followed it up with a 2-1 win Saturday night in LA. This is just the fourth time Reno has ever had a road trip of three or more games, and the team has never won three matches on a single road trip. The team went 1-0-3 during a four game road trip last season, and went 2-1-1 in 2017.

STRINGING THEM TOGETHER

Reno is riding a five-match winning streak, tied for the second longest in franchise history. The longest win streak in franchise history was a six-game streak in 2017, and the previous five game streak was set in 2018.

RIISING UP THE TABLE

With the win over OKC, Reno moved into second place in the USL's Western Conference. Reno's 35 points lead Fresno FC by one, and trail Phoenix Rising FC by just three.

CHASING HISTORY

With 14 matches left to go in Reno's third season, the team owns 44 regular season wins. The total is tied for fifth all time in USL history for a club's first three seasons. Tied with Reno is Sacramento Republic FC with 44 wins. If 1868 can earn six wins in the final 14 matches, the team will become just the second ever to win 50. Reno can also become just the sixth team ever to make the playoffs in each of their first three seasons.

RENO LOOKS TO WRAP UP ROAD TRIP WITH WIN IN ORANGE COUNTY TEAM IS RIDING FIVE-GAME WIN STREAK

RENO, Nev. – Winners of five in a row, Reno 1868 FC rolls into Irvine, Calif. for an afternoon matchup with Orange County SC on Wednesday. The match is the third and final of a week-long road trip for the boys in blue, with the team beating LA Galaxy II on Saturday to move to 11-4-5 on the season.

"We've played Orange County this season, it was a 2-2 draw at home where we felt like we should've gotten three points," said head coach Ian Russell. "It's a good team but I think we match up well with them."

The boys in blue enter the match holding on to the second place spot in the USL's Western Conference. Reno currently has the third most points in the entire league, and boasts the third most goals in the league with 43.

Reno is closing in on two potential pieces of franchise history. A win on Wednesday would extend the win streak to six, matching a franchise record set in 2017. A win would also mark the first time in franchise history that the team went on a three-game road trip, and won all three matches. Previously, Reno had gone 1-0-3 on a four-game streak, but 1868 has never won more than two matches on a single road trip.

Saturday's win over LA Galaxy II came by a score of 2-1, despite Los Dos outshooting Reno.

"We didn't play our best, but we ended up getting three points," said Russell. "The sign of a good team is winning these kind of sloppy games where you don't play great."

Orange County enters the match with a record of 5-7-8 to sit in 14th place in the west. Playing at home, Orange County is 4-3-3.

Kickoff is at 1:00 p.m. PT, and the match will be streamed on ESPN+. The match will conclude the road trip, and Reno will be back home Saturday night for a 7:15 p.m. PT tilt with Colorado Springs Switchbacks FC. Tickets are available at reno1868fc.com or the Greater Nevada Field box office.
