“Family, Friends, Community”

Dear WYLLL Parents & Players,

On behalf of your Board of Directors, welcome to another exciting season of West Yorba Linda Little League baseball. If you are returning, then welcome back as we hope you will enjoy another fun season. If this is your first season with West, then we hope this will be the beginning of many memorable seasons to come.

Your Board has been busy for the past several months preparing for the upcoming season and we are very excited and enthusiastic about all the different events our league will be hosting this season. Last season we had over 430 players, so we hope to exceed that number this year. We are pleased to announce that WYLLL has absorbed/merged with Placentia Little League for the upcoming 2019 season. We have added a portion of the city of Placentia as has East Fullerton Little League, in an effort to keep Little League alive in the City of Placentia. Try-outs begin in January with practices starting Saturday, February 2nd and leading up to Opening Day on Saturday, March 2.

***** Little League Age Determination Date*** - Please see attached “age chart” (Revised)**

If you have any questions, please contact a Board Member.

We are pleased to be hosting “Casino Night” on Friday, May 3, 2019 at the Yorba Linda Community Center as our major fundraiser this season. It is always a lot of fun and entertaining for the adults to spend an evening with friends, families, and teammates. Whether it’s rolling some dice, playing some cards, dancing or just hanging out, you will not be disappointed. Details for this event will be advertized during the season as well as our website.

Our season begins with Opening Day in February when we have team pictures, recognize all our teams, city dignitaries, special guests and much more. It’s an awesome sight to behold to see all of our teams on the field together representing our league and supporting one another. Such as last year, regular season games will be played on this day, so a very exciting day for all!

Your Board is very approachable, so please do not hesitate to stop us and ask questions, share your thoughts or just say hello. You can also access any of us on the league website www.wylll.com. We are here for YOU and we look forward to sharing another enjoyable season with you.

WELCOME TO THE 2019 SEASON!!

Best regards,
West Yorba Linda Board of Directors
