Tuesday, October 9th, 2018

1. Welcome call to order at 7:00pm

a. Approve September 2018 minutes. They are posted on the BDT website under the team/parent tab. Moved by Tim Mohler and seconded by Heather Stencel to approve the minutes.

2. Blaine Dance Show- A few unforeseen registration things for the clinic. These things all came up after the registration deadline. We had a few families contact us about a funeral that day and looking for a refund. We also had families that had a studio conflict come up and wanted a refund. It was decided by the board to not refund or transfer registration for those that had to make a choice to go to studio. With the funeral we decided that it was something out of their control and they would receive half the registration back as we have already put out expenses. All of those kids will still get their shirts and packets. It was decided we needed to stay consistent as this could easily snowball out of control with 120 kids registered. We have looked into how other schools run their clinics and nonrefundable is what we found to be the norm. We will definitely include this on our flyer next year so we don't run into this again. Teams will arrive at 4:30 and tickets go on sale at 5:30. Doors will open at 6 and show starts at 6:30.
