PITCH REST REQUIREMENTS:					
AGE	DAILY MAX (PITCHES IN A GAME)	REST PERIOD			
		0 DAYS	1 DAYS	2 DAYS	3 DAYS
10	75	1-40	41-50	51-60	61+
11 & 12	85	1-40	41-55	56-70	71+

DATE: _____ FIELD: _____
 GAME START TIME: _____
 GAME END TIME: _____
 NO NEW INNING AFTER: _____

Final Score Home:

If a pitcher reaches their Daily Max in the middle of a batter, they may finish the batter and exceed the Daily Max with no penalty to rest days. However, if a pitcher reaches a count that will affect their days rest, they may not finish the batter and keep the lower days rest. For example, if a pitcher reaches 40 pitches in the middle of a batter, one more pitch will result in one (1) day of rest.

Final Score Visitor:
