

Southern Nevada Soccer Association is a registered organization in the Smith's Food and Drug Community Rewards program! SNSA members and their families and friends that have Smith's Rewards cards can update their accounts to choose SNSA as their community rewards recipient, and Smith's will donate money to SNSA for every purchase made at Smith's Food and Drug. Selecting SNSA as your community awards recipient in no way impacts your fuel points or other benefits as a Smith's Rewards member, and it is a great way to raise money for SNSA to help us hold the line on registration fees in the face of increasing costs for fields and insurance fees.

Every dollar raised for SNSA through the Smith's Community Rewards program is one less dollar that we need to recover through registration fees, so please add SNSA as your community rewards program today, and encourage your friends and family to do so as well. We appreciate your participation in this program!
