

June 18, 2020

Greetings again SS&T Members!

With the club opening, we are excited to begin offering youth swim and tennis programming. We have **LOTS** of information to share.

Please read **EVERYTHING** for specifics on both the swim and tennis programs and how we were able to structure everything within Phase 2 guidelines.

Due to COVID19 changes, 2020 registration for all swim and tennis programs is **MANDATORY** (if your child would like to participate) in order for our staff to manage capacity. *As a result, you will NOT be able to show up during an age appropriate time slot without registering as in previous years.*

You will find on our website specific documents for swim and tennis outlining safety and efficiency modifications for COVID19 awareness:

- Swim Program Plan with Schedule: <https://www.ssandtclub.org/sudbury-swim>
- Tennis Program Plan with Schedule: <https://www.ssandtclub.org/page/show/3183746-tennis>

Important Notes:

- Swim training for **7+** competent self-sufficient swimmers will begin the **week of 6/22**.
 - Swim lessons for **6 and unders, or those swimmers who may require physical assistance by a coach, will begin during Phase 3, ~June 29.**
- Tennis instruction for **5+** will begin the **week of 6/22**.
- For BOTH Swimming and Tennis, you can select instruction either Mon & Wed **OR** Tues & Thurs - please only select **one** option for each child in your family (except swimmers 6 and under)
- Programs will run through **the end of July** at which time we'll determine if we will be able to extend the program into early August
