## WINTER FLAG FOOTBALL

Join SYC this winter for Flag Football Backyard Pickup games. This is not like our regular spring and fall seasons of flag football. This is a low-key program to let our athletes play some pickup games during the winter months. No season standings will be kept, and volunteers will serve as “referees”. Registration is just \$50!

**VOLUNTEERS ARE NEEDED to facilitate and organize** - Director, age group coordinators, and coaches are needed for each of the 3 age groups. **PLEASE VOLUNTEER** when registering your child for this program. Thank you!

## FEATURED SPORT

This winter, the SYC UP (Unlimited Potential) program will be offering basketball for our young athletes with disabilities. The program will be an 8-week clinic-style basketball experience that will teach the fundamentals of basketball, as well as providing each player with a Pal (volunteer) for the season who will be side by side with each athlete as they learn, play games, and have fun! Each participant will receive a t-shirt for the season to be worn to every practice.
