JR. WARHAWKS  
BOYS BASKETBALL

To Germantown Hoops Families-

Based on news over the last 48 hours, the Germantown Hoops Board has decided to cancel any organized team practices and games/tournaments for the remainder of the season effective immediately.

While I realize many of you are done now that WYBL has cancelled all tournaments for the weekend, there were several teams that we planning to go thru end of month or first weekend of April. For those in tournaments, please contact them immediately and if any issues with refunds the club will reimburse you for entry fees so your families are not out of pocket for those costs.

We feel this is in the best interest of all the families in the program. While disappointing, they are young and have many more years of basketball to look forward to in the future.

Be safe.

Germantown Hoops Board
