Dear Athletes,

We are excited about IRONMAN Florida’s return to Panama City Beach after being displaced in 2018 by Hurricane Michael. We appreciate your support for these amazing communities from our 2018 host (Haines City) and all the athletes that were able to join us in central Florida, and to all of you returning to Panama City Beach this year. You are an important part of the recovery of our communities, we are forever grateful for your support of these beautiful communities.

In its 21st year, IRONMAN Florida continues to be one of the most popular races on the circuit. The second oldest North American race to IRONMAN Lake Placid, (July 1999), IRONMAN Florida was born (November 1999). Panama City Beach was chosen for its pristine beaches and its moderate fall temperatures. It’s a perfect time to visit northwest Florida while the summer season winds down.

Here are a few tips to help you during race week:

- Your journey will soon end. Look back and take the time to reflect on your accomplishments getting to this point. Reflect on the many sacrifices you and your family have made to get you to this point.

- Be prepared, don’t over think what you have been doing in preparation for this day. Don’t change your routine no matter how small. Stick with what you know and don’t experiment with something new, this is not the time or place.

- The temperatures will be cool in the morning, low in the mid 40’s, into the day mid to upper 70’s. Your special needs bag will be most useful.

- Focus on the discipline you’re in, finish each discipline and put it behind you.

- Enjoy your journey as it comes to an end, you will encounter THOUSANDS of VOLUNTEERS who are there for YOU, take a moment to acknowledge their dedication and commitment to achieving your IRONMAN goal.

- A couple of notes: Wednesday / Thursday is registration (no Friday registration). Mandatory athlete briefings are in Expo, you will be informed of last-minute changes.

- Please treat our community like your own. You are ambassadors for your sport.

"Be the change you wish to see in the world" ~ Mahatma Gandhi

I would like to thank Panama City Beach, Bay County, Tyndall AFB, Naval Support Activity Panama City, the TDC of Bay County and the countless volunteer organizations for their continued support of this event. Without these and many more organizations these events would not be possible.

We salute you on your pursuit of the IRONMAN dream and look forward to hosting you and your families at the 21st edition of IRONMAN Florida.

Mandatory Athlete Briefings are hosted for the benefit of all athletes. The briefings will cover important information pertaining to any peculiarities of the course, rules and cut-off times for the disciplines and most importantly, any last minute changes or procedures to the event that have occurred, or may potentially occur due to weather related forecasts.

IRONMAN VILLAGE INFORMATION
The IRONMAN Village is the center of the event weekend, serving as the location for Athlete Check-In, Athlete Briefings, and the IRONMAN Merchandise Store. The village is free and open to the public, offering a great opportunity for athletes to pick up final race day essentials. Check out the IRONMAN Village PAGE on the event website to see which IRONMAN Partners and Vendors will be attending.

PERSONAL SAFETY
Always train with at least one other person (especially in the open water). While swimming, please wear a brightly colored swim cap and ensure that your family members and/or friends know where you are. When training, please bike and run on the shoulder without moving into the traffic lane. Please be courteous and aware that the people sharing the roads with you are people you will count on during race day to fulfill your physical and emotional needs. Please ride single file, as biking side by side is illegal.

As you are one of Panama City Beach’s invited guests, please respect and obey the traffic laws during your training practices. Violators will be cited. You are required to carry proper identification at all times. If you are stopped, you must present your identification to the inquiring officer. Failure to do so may result in race disqualification. Your cooperation is appreciated.

PRE-EVENT SWIM ADVISEMENT
The majority of our events are held in locations where the swim course utilizes a body of water that is open to the general public for swimming, boating and other recreational and commercial activities. IRONMAN wishes to caution all participants that it does not provide lifeguard services prior to the event, and that all participants who swim prior to race day will do so at their own risk.

There will NOT be a practice swim prior to the race. Athletes are allowed to swim at their own risk and must follow all local regulations.

While we make reasonable efforts to inspect the swim entry and exit points for underwater hazards, the inspection does not take place until just before the swim discipline starts. Participants are further admonished to exercise caution and use common sense if they elect to swim prior to the event and to be mindful of underwater hazards. Keep in mind that this is a natural body of water and is subject to hidden hazards including, but no limited to: currents, underwater obstructions, tides, rip currents and indigenous marine life.

WELCOME DINNER
Join us as we kick off the 2019 IRONMAN Florida! Each athlete will receive complimentary entry into the Welcome Dinner. Your athlete wristband provides you with access to this function. Please do not remove your wristband prior to the function or you will be denied entry. Family and friends must purchase a ticket to attend. Tickets will be available for purchase online at IRONMAN.COM/FLORIDA, on-site at the Information Tent during hours of operation, and on-site at the entrance on a first-come, first-served basis. We recommend arriving early, as these events typically sell out.

**RACE TIMING AND CUT-OFFS**

The race will officially end 17 hours after the last age group athlete enters the swim. Each athlete, regardless of what time they enter the water, will have 17 hours to complete the entire race course (swim, bike, and run courses). Aid station stops, transitions, etc., will be included in your total elapsed time. Splits will be recorded for each segment of the race. The following cut-off times apply for each segment of the race.

### SWIM CUT-OFF

The swim course will close 2 hours and 20 minutes after the last age group athlete starts the swim. Each athlete will get the full 2 hours and 20 minutes to complete the 2.4 mile swim regardless of what time they enter the water. Athletes who take longer than 2 hours and 20 minutes to complete the swim will receive a DNF. IRONMAN officials reserve the right to pull athletes off the course who exceed any established course time cut-offs.

### BIKE CUT-OFF

The bike course will officially close at 5:40 PM. Intermediate cut-offs will be as follows:

- 9:40 AM: T-1 Closes; Last Bike Out
- 2:32 PM: First Turnaround on Hwy 79 – Mile 68
- 4:19 PM: Gayles Trail and Griffin Blvd – Mile 93
- 5:40 PM: Bike course officially closes; Last bike in T-2
- 5:50 PM: T-2 Closes; Last runner out

All athletes will have 10 hours and 30 minutes to complete the swim and the bike. Athletes taking longer than 10 hours and 30 minutes to complete the swim and the bike will receive a DNF.

### RUN CUT-OFF

The run course will close 17 hours after the last athlete enters the water. Athletes must be out of transition and starting the run course by 5:50 PM or you will not be permitted to continue. Additionally, there are two intermediate cut-offs: upon completion of the first loop at 9 PM and at St. Andrew’s Park Entrance (mile 19) at 10:27 PM. Athletes not making the intermediate cut-offs will not be permitted to continue. The run course will close 17 hours after the last athlete enters the water.

Each athlete, regardless of what time they enter the water, will have 17 hours to complete the entire course (swim, bike and run). Any athlete that finishes the race before the final run course closure but has a finishing time greater than 17 hours will be considered a DNF and will not be eligible for age group awards or for IRONMAN World Championship slots or rolldown slots.

IRONMAN reserves the right to remove an athlete from the course and DNF the athlete if our course staff determines there is no possibility of an athlete finishing the given discipline (swim, bike, run) before the posted cut-off times based on an athlete’s location, time, and average speed up to that point.

Athletes who do not meet the above cut-offs will be considered a DNF and will not be eligible for age-group awards or for IRONMAN World Championship slots or rolldown slots.

**WETSUIT OPTIONAL RACES**

If the water temperature on race morning measures between 76.2 degrees Fahrenheit (24.55 degrees Celsius) and 83.8 degrees Fahrenheit (28.8 degrees Celsius), the race will be wetsuit optional and athletes who choose to wear a wetsuit will not be eligible for Age Group awards, including IRONMAN World Championship slots or Rolldown slots. If the water temperature is in this range and you choose to wear a wetsuit, you will start after the non-wetsuit swimmers. Should the event offer a wetsuit optional swim wave due to water temperature, all athletes in the wetsuit optional wave will have 2 hours and 20 minutes to complete the swim. The bike and run course cut-off times will not be adjusted and will be based on the swim start time of the last non-wetsuit athlete.

**TIMING CHIP**

Your timing chip will not be in your packet. You must stop at the timing table before leaving the Athlete Check-In Area to pick up your chip. At the timing table, you will verify that your name matches your number.

Your chip must be worn on your left ankle at all times during the race. If you do not start the race, you are responsible for returning the chip to an IRONMAN staff member or timing team member. Failure to do so may disqualify you from participating in future IRONMAN events. It is essential that we know where you are on the course at all times for your safety and our peace of mind. If you are transported to any medical station, the medical staff will take responsibility for chip. If you lose your timing chip during the event, you are responsible for obtaining a replacement at one of the following locations: swim start, swim exit, bike exit or run exit. Volunteers will have extra timing chips at the timing locations above. If you lose your chip while on the run course, please notify a timing official immediately after crossing the finish line.

Failure to wear your timing chip on race day, return your chip after the event, or pay the replacement cost of your lost timing chip may disqualify you from future IRONMAN events.

After the race, if you realize you still have your chip, please mail it within 5 business days to:

- Sportstats USA
- 88 54th St. SW Suite 106
- Wyoming, MI 49548

You must have your athlete wristband on in order to claim your bike and gear. If you are unable to personally claim your bike and gear, a family member or friend may use your Bike Check-Out ticket that will be provided in your race packet. If your bags are not reclaimed from 6:30 PM to 12:20 AM, IRONMAN will not be responsible for any items left over night. As a precaution, give this ticket to a family member or friend prior to the race, even if you plan to reclaim your bike and gear yourself. If a friend or family member does decide to up these items as a courtesy, please ask them to leave a message on your cell phone so we have no panicked athletes—it happens a lot!

QUALIFYING FOR THE IRONMAN WORLD CHAMPIONSHIP

SLOT ALLOCATION/ROLLDOWN CEREMONY
Athletes may claim their slot only IN PERSON and only at the IRONMAN World Championship Slot Allocation/Rolldown Ceremony on Sunday, November 3 immediately following awards. Awards will start at 9:30 AM at the stage in IRONMAN Village near the finish line, so please be present no later than 11 AM for slot allocation because you must be present to accept a slot. Please be prepared to pay the entry fee with CREDIT CARD ONLY; no check or cash.

Forty (40) Age-Group qualifying slots for the 2020 IRONMAN® World Championship will be awarded to the top age group finishers.

HOW DOES THE AGE GROUP SLOT ALLOCATION WORK?
First, a quick note to clarify what we mean below by an “Age Group.” An Age Group is a particular age group within a particular gender. For example, “Male 25-29” is one Age Group, and “Female 25-29” is a different Age Group.

THE ALLOCATION PROCESS:
- **BEFORE RACE DAY:**
  - Each Age Group with registered athletes is tentatively allocated one slot (each, an “Initially Allocated Slot”).
  - All other slots available for the race (the “Proportionally Allocated Slots”) are not allocated until race day.
- **ON RACE DAY:**
  - If there are no starters in an Age Group, then that Age Group’s Initially Allocated Slot is removed and pooled with the Proportionally Allocated Slots.
  - The Proportionally Allocated Slots are then allocated among all Age Groups (i.e., those having at least one starter) proportionally based on the number of starters in each Age Group. This allocation is done across both the male and female categories.
- **AFTER THE RACE:**
  - **Before Roll-Down:**
    - If there are no finishers in an Age Group that had one or more starters, then the Initially Allocated Slot for that Age Group is reallocated, within the same gender, to the Age Group with the highest ratio of starters to slots.
  - **During Roll-Down:**
    - If any slot allocated to an Age Group is unclaimed (after Roll-Down for that Age Group is completed), then that unclaimed slot is reallocated, within the same gender, to the Age Group with the highest ratio of starters to slots.

ANTI-DOPING POLICY
Each Age Group athlete who accepts a qualifying slot for the IRONMAN World Championship is subject to IRONMAN’s Anti-Doping Rules and will be required to sign the World Championship Events Anti-Doping & Qualifying Slot Waiver for Age-Group Athletes. The waiver serves to provide additional notification of and consent to IRONMAN’s Anti-Doping Program, which includes IRONMAN’s efforts to combat, deter, and test for doping in accordance with IRONMAN’s Anti-Doping Rules.

Please refer to IRONMAN’S COMPETITION RULES for additional guidance and information.

IRONMAN WORLD CHAMPIONSHIP COIN
Athletes who qualify for the 2020 IRONMAN® World Championship will receive an official IRONMAN® World Championship Coin. This memento will serve to mark and signify qualifying IRONMAN® athlete’s accomplishments. We applaud these individuals on their hard work and dedication as they celebrate their journey to the premier event of the IRONMAN® series!
THE WORLD'S MOST LOVED WETSUIT

"I genuinely have ZERO shoulder discomfort! For the first time ever I am more comfortable swimming in a wetsuit than out of it."

- Paul, Seattle, WA
IRONMAN Florida will feature a “Rolling Start”. Athletes will enter the water from a self-seeded swim start line. Self-seeding will be based on your individual abilities according to your expected finish time. You can avoid being overtaken by stronger swimmers by seeding yourself with athletes of a similar skill and ability levels. For more information on a rolling swim start, refer to this helpful VIDEO.

Each athlete will be allotted 2 hours 20 minutes to complete the swim course. Athletes’ official race time will start when they cross the timing mat. All athletes will have 17 hours and to complete the entire event (subject to intermediate cut-off times throughout the event).
SWIM COURSE RULES

- Athletes must wear cap provided by race.
- No fins, gloves, paddles, or flotation devices (including pull buoys) of any kind are allowed.
- No aqua socks (neoprene booties) unless the water temperature is 65 degrees Fahrenheit or colder.
- When the use of wetsuits is forbidden, clothing covering the neck, clothing covering any part of the arms below the elbows, and clothing covering any part of the leg below the knee, is deemed illegal equipment and is not permitted. Compression sleeves or compression calf guards/socks may NOT be worn during non-wetsuit swims, but may be worn upon completion of the swim.
- Swim goggles and facemasks may be worn. Snorkels are prohibited. Medical exceptions will not be considered.
- No individual paddlers or escorts allowed. The course will be adequately patrolled by boats, canoes and paddleboards.
- Any assistance required during the swim will result in disqualification if forward progress was made. Athletes are permitted to use kayaks and boats as aid, as long as forward progress is not made. Course officials and medical personnel reserve the right to remove athletes from the course if determined medically necessary.
- The swim course will close 2 hours and 20 minutes after the last athlete enters the water. Each athlete will have 2 hours and 20 minutes to complete the 2.4 mile swim. Individual athletes who take longer than 2 hours and 20 minutes to complete the swim will receive a DNF. IRONMAN officials reserve the right to pull athletes off the course who exceed any established course time cut-offs.

SWIM TO BIKE TRANSITION

After the swim, you will be directed through the timing chutes to the swim to bike transition. Public nudity is not permitted. We require you to be fully ready to race before getting on your bike. Personal nutrients are permitted if carried on you or your bike. Sunscreen is available in transition.

NOTE: Any athlete electing not to race must notify a timing official immediately. Above all, the safety of each swimmer is our prime concern. A full sweep of the course will be made directly behind the last swimmer. Visual aid will be provided by the lifeguards, divers, canoes, kayaks, buoys, and aquatic crafts that line the course.

WETSUIT RULES

Wetsuits may be worn in water temperatures up to and including 76.1 degrees Fahrenheit (24.5 degrees Celsius).

Athletes who choose to wear a wetsuit in water temperatures between 76.2 degrees Fahrenheit (24.55 degrees Celsius) and 83.8 degrees Fahrenheit (28.8 degrees Celsius) will not be eligible for Age Group awards, including IRONMAN World Championship slots or Rolldown slots. If the water temperature is in this range and you choose to wear a wetsuit, you will start after the non-wetsuit swimmers. Athletes electing to start at this time will still have 2 hours and 20 minutes to complete the swim course. All other course cut-off timelines will remain in place.

Prohibited Wetsuit: De Soto Water Rover Wetsuits cannot measure more than 5 mm thick.

SWIMWEAR POLICY

For non-wetsuit legal swims only:

Swimwear must be 100% textile material, which is defined as materials consisting of natural and/or synthetic, individual and non-consolidated yarns used to constitute a fabric by weaving, knitting and/or braiding. Simply put, this would generally refer to suits made only from nylon or Lycra that do not have any rubberized material such as polyurethane or neoprene. Swimwear must not cover the neck, extend past the elbow, nor extend past the knees. Swimwear may contain a zipper. A race kit may be worn underneath swimwear.

Compression gear may be worn during non-wetsuit swims provided that it is made of 100% textile material (no rubberized material such as polyurethane or neoprene) and that material does not extend past the elbows or knees. Any compression wear that extends past the elbows or knees will not be permitted in non-wetsuit swims (this includes compression sleeves, compression socks, or compression tights).
SWIMSMART
TOP 10 CHECKLIST

An open-water swim in a triathlon is substantially different from swimming in a pool. To alleviate stress, it’s important that you arrive on race day healthy, fit and prepared. Here’s a top-10 checklist to help get you ready.

1 PREPARE FOR RACE CONDITIONS
- Race day should not be your first open water swim. Make sure some of your training replicates real race conditions, including water temperature, proximity to other swimmers, orientation (includes water clarity, depth and distance perception), and wearing a wetsuit if needed.

2 RACE IN SHORTER EVENTS
- Proper training is the best way to reduce anxiety. It’s also a good idea to race shorter distance triathlons or single-sport events (for example, an open water swim event), as well as join clinics and club activities to prepare yourself for open water conditions.
- For extra guidance, talk to a coach or your local triathlon club.

3 LEARN ABOUT COURSE DETAILS
- It’s important to prepare yourself mentally as well as physically prior to race day. Thoroughly review the race website, event athlete guide and pre-race communication to familiarize yourself with the course.
- Keep in mind that every body of water is different—educate yourself on water currents and surf conditions, if applicable.
- Study the event schedule to plan for optimal arrival and preparation.

4 ENSURE HEART HEALTH
- As an athlete in training, you should take the proper steps to assess your health with your physician.
- The American Heart Association and European Society of Cardiology offer suggestions for cardiac screening of competitive athletes. These include a physical exam as well as an assessment of your family history, personal heart health and may include a recommendation of additional diagnostic studies. Wherever you live, we recommend you consult with your physician before you race.

5 PAY ATTENTION TO WARNING SIGNS
- While training, if you experience chest pain or discomfort, shortness of breath, light-headedness (dizziness) or blacking out, or have any other medical concerns or symptoms, consult your doctor immediately.

6 DON’T USE NEW GEAR ON RACE DAY
- Focus on controlling as many factors as you can on race day.
- You should never race in equipment you haven’t trained in—this is not the time to test new gear.
- Make sure your wetsuit fits properly and that your goggles, swim cap and other accessories work properly.
- Prepare for the unexpected with backups of all your gear.

7 WARM UP ON RACE DAY
- Arrive early enough on race day for an adequate warm-up prior to the start, preferably in the water.
- If you aren’t able to warm up in the water, spend between 5 and 10 minutes loosening up your muscles with arm swings and other gentle movements. A light jog or brisk walk can also help increase circulation and prepare your body to race.

8 CHECK OUT THE COURSE
- Get comfortable with the course by checking out water conditions, the swim entry and exit layouts, as well as turn buoy colors and locations.
- Take part in the official practice swim if one is offered. This provides you an opportunity to get oriented with the swim course.
- Identify navigation landmarks such as buildings or landscape features to use for sighting in every direction you’ll be swimming.

9 START EASY – RELAX AND BREATHE
- Follow the race day instructions regarding the swim start format that have been provided in the event athlete guide.
- For events with a rolling swim start, don’t overestimate your ability. Please line up in the appropriate position based on instructions provided in the event athlete guide.
- Don’t race at maximum effort from the start - ease into your swim.
- Relax and focus on your breathing as you settle into a sustainable pace.

10 BE ALERT AND ASK FOR HELP
- In a race setting always stop at the first sign of a medical problem.
- The IRONMAN Competition Rules allow for competitors to stop or rest at any time during the swim.
- If you or a fellow athlete needs help, raise your hand to alert a lifeguard or safety boat.
- Feel free to hold on to a static object like a raft, buoy, or dock. As long as you don’t use it to move forward, you won’t face disqualification.

Completing in a triathlon event requires training on a bike. To be fully prepared, it’s important that you arrive on event day healthy, fit, and equipped with the proper gear. Fitness can be built indoors, but competing with a group requires the ability to ride safely and competently outdoors. Read on for an essential checklist to get you ready for any two-wheeled challenge.

**BEFORE YOU RIDE**

1. **IT STARTS WITH YOUR BIKE**
   - Your seat and handlebars should be adjusted to the appropriate height and reach for you. Work with a fitter to find your optimal bike fit.
   - Ensure all bolts are tightened properly to avoid coming loose during the ride, and that your brakes and gears are working properly.
   - Keep your bike clean and your chain lubed.
   - Use front and rear lights when riding in low light conditions – this may be required by law in your area.
   - Tires should be inflated to the recommended pressure.

2. **LEARN THE BASICS**
   - Practice clipping in and out of your pedals, as well as starting, stopping, and emergency braking.
   - If you’re unfamiliar with shifting gears, practice doing this in a low-traffic area.
   - Practice riding a straight line, and cornering (right, left, U-turns).

3. **SUIT UP**
   - Always wear an approved helmet in training and racing. Helmets should fit properly without moving around on your head while riding, and remain buckled at all times during your ride.
   - Wear clothing that is designed to function in the weather you will encounter on the ride, and that will help maintain your core body temperature when riding in cold or wet conditions, even during a race.
   - Choose clothing that is visible in low-light conditions.

4. **BE PREPARED TO RIDE**
   - Carry the appropriate amount of water and nutrition, along with a way to purchase additional supplies if needed.
   - Know how to use a tire repair kit and appropriate tools, and be sure to carry them with you.

5. **PLAN AHEAD**
   - Select a route that limits the number interactions with vehicles – if possible factor in time of day and day of the week.
   - Always obey all traffic signals and signs.
   - Where available, ride in dedicated bike lanes and where other bikes are normally present to ensure vehicles are aware of you.
   - Select a ride distance appropriate to your fitness.

6. **INFORM OTHERS**
   - In the event of an incident, someone should know where you are riding.
   - Always carry personal identification with you and emergency contact information.
   - Carry a cell phone for emergencies.

**DURING THE RIDE**

7. **STAY ALERT**
   - Leave the playlists and podcasts for indoor workouts.
   - Don’t use your phone while riding – pull off the road if you need to make a call or send a text.
   - Don’t take photos and selfies while riding.
   - Keep your head up, particularly when riding in a group. Look at the road and the riders around you, not your bike computer.
   - Be able to see and hear what is going on around you. When riding in the aerobars, do not look down at the road, look ahead.
   - When riding in a group, do not get fixated on the rider directly in front of you. Look through so you can anticipate any issues before they happen, and have an exit strategy.
   - Be easy on the brakes when riding in a group. Ride smoothly, do not overlap wheels, and always come up the inside line of a peloton.
   - Pay particular attention when approaching aid stations during a race. Do not ride through aid stations in the aerobars.

8. **OBEY THE LAW**
   - Always stop at stop signs and lights—remember, cyclists have the same responsibilities as vehicles.
   - Know the traffic laws for your area, especially those regarding riding two abreast or single file.
   - Know where the vehicles are around you and anticipate that drivers may not see cyclists.
   - When passing a parked car or another cyclist, make sure there is enough space to avoid contact.

9. **COMMUNICATE**
   - Use verbal and hand signals so others know if you are stopping or turning.
   - Make eye contact with drivers and other cyclists.
   - While riding, let other athletes know you are passing through verbal communication. Watch for hazards in the road including potholes, debris, or water bottles. Point out and verbally communicate these hazards to those riding and racing with you.
   - Visually and verbally communicate with the specific volunteer in the aid station you will be taking aid from, letting them know you are taking aid directly from them.

10. **SAFETY FIRST**
    - Ride as far to the side of the road as safely possible. Some situations do require that you safely position yourself on the road so that traffic is unable to pass. This might be when making a turn or when not safe for vehicles to pass.
    - If riding with other people, make sure you are riding single file or allowing traffic to pass from behind you.
    - When riding in a group, avoid riding in the aerobars unless you are riding in front. Your hands should always be able to get to the brakes quickly.
    - Taking unnecessary risks might gain you a couple of seconds during your ride, but it could risk you losing your life. Always ride smart.
1. POSITION RULES

- Absolutely NO DRAFTING of another bike or any other vehicle is allowed.

- Athletes must keep six bike lengths of clear space between bikes except when passing. Failure to do so will result in a drafting violation.

- A pass occurs when the overtaking athlete’s front wheel passes the leading edge of the athlete being overtaken.

- Overtaking athletes may pass on the left for up to 25 seconds, but must move back to the right side of the road, after passing. Failure to complete a pass within 25 seconds will result in a drafting violation. Athletes may not back out of the draft zone once it is entered (drafting violation).

- Overtaken athletes must immediately fall back six bike lengths before attempting to regain the lead from a front running bike. Immediately re-passing prior to falling back six bike lengths will result in an overtaken violation.

- Overtaken athletes who remain in the draft zone (6 bike lengths of clear space between bikes) for more than 25 seconds, or who do not make constant rear progress out of the drafting zone, will be given a drafting violation.

- Athletes must ride single file on the far right side of the road except when passing another rider, or for reasons of safety. Side-by-side riding is not allowed and will result in a position violation.

- Athletes who impede the forward progress of other athletes will be given a blocking violation.

- Athletes committing rule violations will be notified “on the spot” by an official.

- Do not attempt to discuss the penalty with the official.

- The official will:
  i. Notify you that you have received either a BLUE CARD for drafting and littering or a YELLOW CARD for any other penalty. The official will show you the corresponding colored card.
  ii. Instruct you to report to the next penalty tent (PT) on the course. There will be at least two PTs on the course.

The Exact Location Of The Pts Will Be Stated At The Pre-Race Meeting.

- The athlete will:
  i. Report to the next PT and tell the PT Official whether you were shown a BLUE CARD or a YELLOW CARD. If you fail to report to the next PT, you will be disqualified.
  ii. Have race numbers marked by the PT Official with a “/”.
  iii. Register, via the sign-in sheet.
  iv. Resume the race after serving a one minute stop and go time penalty for all non-drafting violations (YELLOW CARD).
  v. Remain in the PT for the time indicated in the table below, for each drafting and littering violation (BLUE CARD).
  vi. Be disqualified if you receive three BLUE CARD penalties. An athlete may finish the race if he or she has been issued a red card disqualification, unless otherwise instructed by the Race Referee.
  vii. Be disqualified for not reporting to the PT.

2. Bicycles must be racked in a manner such that the majority of the bicycle is on the athlete’s side of the bike rack.

3. No tandems, fixed-gear bikes, recumbents, fairings, or any add-on device designed exclusively to reduce resistance are allowed. Any new, unusual, or prototype equipment will be subject to a determination of legality by the event organizer and/or Head Referee.

4. The sole responsibility of knowing and following the prescribed cycling course rests with each athlete. No adjustments in times or results shall be made for athletes who fail to follow the proper course for any reason whatsoever.

5. Athletes must obey all traffic laws while on the cycling course unless otherwise specifically directed by an official, race monitor or designee with actual authority. Failure to do so may result in disqualification.

6. No athlete shall endanger himself or another athlete. Athletes who intentionally present a danger to any athlete or who, in the judgment of the Head Referee, appear to present a danger to any athlete may be disqualified.

7. Cycling shoes may be clipped into athletes’ bikes. All cycling gear including helmets, must be placed in the transition bag.

8. Cameras, phone cameras, and video cameras are prohibited unless permission is given by IRONMAN. If permission is given by IRONMAN, it is the athlete’s responsibility to notify the Head Referee prior to race start. Athletes seen with a camera, phone camera, or video camera without permission will be disqualified.

9. Athletes must wear a bike helmet number on the front of their helmet.

10. A CPSC-approved helmet is required during the entire bike portion including in and out of transition. Athletes riding without an approved helmet or chinstrap not fastened may be disqualified. Alterations to a hard-shell helmet, which affect its integrity, are not allowed.

11. No individual support allowed. Ample aid and food stations will be provided. Friends, family members, coaches, or supporters of any type may NOT bike, drive, or run alongside athlete, may not pass food or other items to athlete and should be warned to stay completely clear of all athletes to avoid the disqualification of the athlete. It is incumbent upon each athlete to immediately reject any attempt to assist, follow, or escort.

12. Do not litter. Any item that needs to be discarded, including but not limited to water bottles, gel wrappers, energy bar wrappers, broken bike parts, or clothing items, may only be discarded in the trash drop zones at each aid station. Discarding any item outside of the trash drop zones will result in a blue card (5 minute time penalty).

13. Athletes must be individually responsible for repair and maintenance of their own bike. Athletes should be prepared to handle any possible mechanical malfunction. Assistance from official race personnel is permitted.

14. Athletes may walk bike, if necessary, but may not make progress on the bike course unaccompanied by their bicycle.

15. Bike inspection is not mandatory and will not be provided at Bike Check-In, although technicians will be available. Athletes are ultimately responsible for their own bikes. However race officials may at their own discretion make final judgment as to the soundness of the bike.

16. Headphones, headsets which are inserted in or covering the ears are not allowed during any portion of the event.

17. Helmet mirrors or mirrors attached to the bike or body are prohibited unless needed for a verifiable medical reason. Athletes granted permission to use a mirror will be ineligible for awards or World Championship entry slots. Athletes using a mirror without permission will be disqualified.

18. Athletes may not use communication devices of any type, including but not limited to cell phones, smart watches, Bluetooth enabled or “smart” helmets, and two-way radios, in any distractive manner during the Race. A “distractive manner” includes but is not limited to making and receiving phone calls, sending and receiving text messages, playing music, using social media, taking photographs, and mounting the device to a bike for purposes of using the device like a bike computer. Using a communication device in a distractive manner during the Race will result in disqualification.

19. Cycling with a bare torso is prohibited. Athletes must wear a shirt, jersey, or sporttop/sports bra at all times during the cycling segment of the Race. Uniforms with a front zipper may be unzipped to any length, provided, the zipper is connected at the bottom of the uniform at all times and the top of the uniform covers the shoulders.

1. Athletes may run, walk, or crawl.

2. Athletes must wear their IRONMAN issued bib number in front of them clearly visible at all times on the course. Bib numbers identify the official athletes in the race. Folding, cutting the bib number, intentional alteration of any kind, or failure to wear race number is STRICTLY PROHIBITED and may result in disqualification.

3. Headphones or headsets which are inserted to or covering the ears are not allowed during any portion of the event.

4. Cameras, phone cameras, and video cameras are prohibited unless permission is given by IRONMAN. If permission is given by IRONMAN, it is the athlete’s responsibility to notify the Head Referee prior to race start. Athletes seen with a camera, phone camera, or video camera without permission will be disqualified.

5. NO INDIVIDUAL SUPPORT VEHICLES OR NON-ATHLETE ESCORT RUNNERS ARE ALLOWED.

This is an individual endurance event. Teamwork as a result of outside assistance, which provides an advantage over single competitors, is not allowed. Individual support vehicles or non-athlete escort runners will result in disqualification. A non-athlete escort runner includes athletes who have withdrawn from the race, have been disqualified or have finished the race. Supporters of any type may NOT bike, drive, or run alongside the athlete, may not pass food or other items to athlete and should stay completely clear of all athletes to avoid the disqualification of the athlete. It is incumbent upon each athlete to immediately reject any attempt to assist, follow, or escort. It IS permissible for an athlete who is still competing to run with other athletes who are still competing.

6. Athletes are expected to follow the directions and instructions of all race officials and public authorities.

7. The sole responsibility of knowing and following the prescribed running course rests with each athlete. No adjustments in times or results shall be made for athletes who fail to follow the proper course for any reason whatsoever.

FINISH LINE POLICY

Friends and/or family members are not permitted to cross the finish line or enter the finish chute with participating athletes. This policy will allow each competitor adequate time to celebrate their accomplishment without interfering with other finishers and ensure the safety of all athletes, volunteers and fans. Athletes who choose not to respect the policy will receive an automatic disqualification (DSQ).

EVENT SANCTION AND RULES

USA Triathlon (USAT) has sanctioned the 2019 IRONMAN Florida. Our rules are published with permission from USAT. Please visit IRONMAN.COM for a complete set of IRONMAN Competition Rules.

Under our sanctioning agreement with USA Triathlon, athletes should be aware of the serious consequences of violating USAT Competitive Rule 3.5 - Unregistered Athletes, which states:

a. Any person who participates in any portion of a sanctioned event without first properly registering and paying any required registration fee shall be suspended or barred from membership in USAT and barred from participation in any sanctioned event for a period of up to one year.

b. Any person who in any way assists another athlete to violate Section 3.5a by providing or selling a race number to that athlete shall be suspended or barred from membership in USA Triathlon and barred from participation in any sanctioned event for a period of up to one year.

Anyone who violates this rule may be banned for life from any IRONMAN event. Violating this rule puts insurance coverage for the event at risk.

ANY VERBAL ABUSE OF MARSHALS, RACE OFFICIALS, IRONMAN STAFF OR VOLUNTEERS IS GROUNDS FOR IMMEDIATE DISQUALIFICATION.

OVERALL RULES

1. Any athlete holding current elite/professional status from their National Triathlon Federation or a current IRONMAN Professional Membership (as verified by elite/pro status of an athlete’s National Triathlon Federation) is prohibited from racing as an AGE GROUP athlete within the same calendar year, in any sanctioned triathlon events anywhere in the world, where there is an elite/pro wave, within the same calendar year. Disqualification and potential sanction from IRONMAN events, and forfeiture of any AGE GROUP World Championship qualifying slots may result for any athlete that has not adhered to this policy.

2. Athletes are expected to follow directions and instructions of all course marshals and public authorities.

3. Race officials shall have authority to disqualify any athlete.

4. Medical personnel shall have ULTIMATE and FINAL authority to remove a athlete from the race if the athlete is judged to be physically incapable of continuing the race without risk of serious injury or death. Medical transport of any athlete will result in disqualification.

5. Fraud, theft, abusive treatment of volunteers, staff or others and acts of poor sportsmanship are grounds for immediate disqualification and may result in the athlete being suspended from competing in any IRONMAN or IRONMAN 70.3 event in the future, depending on the severity of the rule violation.

6. As a condition of participation in each IRONMAN® and IRONMAN® 70.3® event, all registered athletes are required to acknowledge and abide by IRONMAN’s Anti-Doping Rules. In accordance with the Anti-Doping Rules, all registered athletes are subject to in and out-of-competition testing and are encouraged to learn and understand all applicable rules and obligations prior to registering for events (including, without limitation, the World Anti-Doping Agency’s anti-doping rules governing Prohibited Substances and Therapeutic Use Exemptions). When in doubt, athletes are encouraged to ask questions and to seek advice from qualified medical professionals.

Please refer to IRONMAN’S COMPETITION RULES for additional guidance and information.

7. If an athlete decides to withdraw from the race at any time, it is the responsibility of the athlete to report to the timing tent located at the finish line and turn in their bib number and timing chip immediately. It is essential that race officials know where athletes are on the course at all times. Failure to comply after withdrawing from the race may result in athlete being prevented from competing in any IRONMAN event in the future.

8. IRONMAN reserves the right to make rule changes at any time provided all athletes are notified in writing and/or at the pre-race athlete briefings. Notification of any change will be in accordance with IRONMAN Competition Rules.

9. Prize money for any sanctioned event shall be offered equally between men and women in both amount and depth. Additionally, Professional triathletes may not win Age Group awards and Age Group athletes are not eligible for prize money.

10. For additional information regarding training sites, safety procedures and general information questions regarding the race, please go to the Information Tent.

11. 11. Athletes may not use communication devices of any type, including but not limited to cell phones, smart watches, Bluetooth enabled or “smart” helmets, and two-way radios, in any distracting manner during the Race. A “distractive manner” includes but is not limited to making and receiving phone calls, sending and receiving text messages, playing music, using social media, taking photographs, and mounting the device to a bike for purposes of using the device like a bike computer. Using a communication device in a distractive manner during the Race will result in disqualification.

12. Cameras, phone cameras, and video cameras are prohibited unless permission is given by IRONMAN. If permission is given by IRONMAN, it is the athlete’s responsibility to notify the Head Referee prior to race start. Athletes seen with a camera, phone camera, or video camera who were not given permission will be disqualified.

13. IRONMAN does not allow the transfer of an athlete’s registration to another person - no exceptions will be made to this rule. Any attempt to transfer a registration to another person will result in disqualification and suspension from future participation in any IRONMAN or IRONMAN 70.3 event.

14. Assistance provided by event personnel or Race Officials is allowed but is limited to drinks, nutrition, mechanical and medical assistance. Athletes competing in the same race may assist each other with incidental items such as nutrition and drinks after a water station and pumps, tubular tires, inner tubes and punctures repair kits. Athletes may not provide any item of equipment to an athlete competing in the same race which results in the donor athlete being unable to continue their own race. This includes but is not restricted to shoes, complete bicycle, frame, wheels and helmet. The penalty for this will be disqualification of both athletes.

15. Athletes must cover the prescribed course in its entirety. Failure to do so will result in a disqualification. If an athlete must exit the course, he or she shall re-enter the course at the same point of departure before continuing.
PHYSICALLY CHALLENGED OPEN DIVISION

Conduct and standards for handlers of HC athletes is governed by the International Triathlon Union Rules.

IRONMAN will operate under the “three strikes and you’re out” principle with respect to BLUE CARD violations. DRAFTING AND LITTERING are the only two violations that will result in a BLUE CARD violation and an athlete will incur a 5-minute time penalty (to be served in the closest penalty tent, located along the bike course). YELLOW CARD violations (one minute time penalty) also require an athlete to stop at the closest penalty tent location along the bike course. Any penalties incurred on the run course are to be served at the point of infraction. While YELLOW CARD violations will not count against your three strikes, IRONMAN Competition Rules still allow an athlete to be disqualified for repeated rule violations should an athlete receive excessive yellow card violations.

So that you understand the rules on race day, please take the time to read and understand the rules in the Athlete Guide and the 2019 IRONMAN COMPETITION RULES.

The **POSITION violations** are summarized:

- **Always ride on the right side of your lane to avoid an ILLEGAL POSITION or BLOCKING call.**
- **Keep six bike lengths of clear space between your bike’s front wheel and the rear wheel of the cyclist in front of you to avoid a DRAFTING call.**
- **Always pass on the left of the cyclist in front of you; Never on the right to avoid an ILLEGAL PASS call. Complete your pass within 25 seconds to avoid a DRAFTING call.**
- **Passed athletes must be seen making immediate and constant rear progress out of the drafting zone to avoid a DRAFTING call.**
- **Do not use any device that will distract you from paying full attention to your surroundings. Using a device in a distracting manner will result in disqualification.**

Triathlon is an individual event, and it is your responsibility to fully understand the rules and avoid penalties. The referee’s ruling is final in the case of POSITION violations, and there are no protests or appeals. Other common violations include:

- **HELMET CHINSTRAP**  
  Your chinstrap must be securely fastened whenever you are on your bike on race day.

- **RACE NUMBER**  
  You must wear your bib number during the run portion of the race. In addition, your bike frame sticker must be properly attached to your bike frame and must be visible from both sides.

- **LITTERING**  
  Do not throw ANYTHING outside of official aid stations. Littering will result in a BLUE CARD violation, which is a five minute time penalty.

- **UNAUTHORIZED EQUIPMENT**  
  Sorry, absolutely NO communication devices, MP3 players or other audio devices (Yes, that means NO cell phones) may be used during competition.

- **OUTSIDE ASSISTANCE**  
  Non-racers may NOT ride or run alongside you.

- **TIME PENALTIES**  
  Remember that even though DRAFTING and LITTERING are the only violations that incur a five minute time penalty, you must go to a penalty tent for any violation to have your number marked. There will be no penalty tents on the run. If you are penalized on the run, the official will mark your number on the spot.

Please treat other athletes, all volunteers, and your referees with courtesy and consideration. Not doing so is UNSPORTSMANLIKE CONDUCT and may result in disqualification. I sincerely hope you have a great race and achieve all your goals.

The athlete excess medical coverage protects each athlete for the day of the event at USAT-sanctioned races, camps and clinics. When athletes purchase a USAT annual license or one-day permit, a portion of those fees cover the cost to provide them with excess medical insurance. This coverage only extends to their participation in a USA Triathlon sanctioned event and is only available after the injured party has filed with any primary insurance policies. A deductible does apply for this excess coverage.

If an athlete is injured while participating in a USA Triathlon sanctioned event the following steps must be followed:

- Athletes must file with their primary healthcare provider (i.e. United Healthcare, Blue Cross Blue Shield, Aetna, traveler’s insurance, etc.).
- Athlete completes a medical claim form.
- For serious incidents or for athletes requesting coverage, the Race Director can provide them with a medical claim form. The medical claim form, along with all explanation of benefit documents, should be sent directly from the athlete to the insurance company as indicated on the claim form.

Please e-mail SANCTION@USATRIATHLON.ORG for a copy of the form.

- Athletes will pay a deductible. All claimants will pay anywhere from $250 USD (two-hundred and fifty U.S. dollars) to $1,000 USD (one thousand U.S. dollars) out of pocket and possibly more for uncovered expenses.

Be advised that coverage may not apply to each and every claim. Additionally, coverage only extends to athletes that have purchased a USA Triathlon annual license or one-day permit and were injured through participation in a USA Triathlon sanctioned event. Please e-mail questions to SANCTION@USATRIATHLON.ORG.

All medical expenses incurred are the sole responsibility of the athlete and not IRONMAN. USAT provides secondary coverage in qualified circumstances. Failure to meet financial responsibility to local medical facilities will result in suspension of future participation at IRONMAN events until accounts are settled.

Particular dangers include dehydration, hyponatremia, sunburn, exhaustion and injuries sustained from accidents. Please ask for medical help if you have the slightest hint you may need it. You will not be penalized for receiving a medical evaluation. You will be withdrawn from the race only if you require transportation, IV fluids or if medical personnel feel your continued participation could result in serious harm or death.

During events of extreme endurance, the body’s pain threshold is raised, and you may be in more trouble than you realize. The medical personnel will do all they can to keep you in the race and assure a safe finish. Also, please be attentive when taking water and sponges from volunteers when you’re on your bike to avoid the possibility of accident or injury to yourself or another.

Please trim your fingernails and toenails prior to the start of the race to avoid injury to other athletes. Be especially careful to rinse your goggles of any excess defogger solutions to avoid eye irritation.

If you spend three months prior to the event in a different climate, we suggest you consider an acclimation period before the race. The chance of dehydration and electrolyte imbalance can be reduced significantly by a proper period of acclimation.

Stay with your familiar and proven routine regarding training, nutrition and equipment, especially just prior to the race. This also applies to pre-race dietary intake and medications. It is recommended you avoid an extreme elimination diet. Adequate salt intake during training and during the event is especially important.

If you are taking any medications, or have any medical problem that may influence your performance or your treatment in the event of an injury, advise us of all necessary details well in advance of race day.

At Athlete Check-In, you are required to notify the medical team, in writing, if there is any change in your medical status/condition after your application has been processed. Failure to do so will result in suspension of participation in future IRONMAN events.

You are solely responsible for avoiding medications that appear on the list of banned substances as determined from WADA.

Feedback from previous IRONMAN contestants indicates we can never over emphasize the importance of hydrating prior to and during the event. IRONMAN’s Chief Physician recommends you begin hydrating heavily several days before the race and drink enough water so your urine is clear, colorless and copious by race day.

**PLEASE NOTE:**

Full disclosure of medical condition(s), general health and surgical procedures within the previous 12 months is required. Medical consultation/clearance may be necessary from an attending physician prior to participating in the event.

In all cases, the final decision of medical consideration is at the discretion of the IRONMAN Medical Director.

ALL WORLD ATHLETE

The IRONMAN All World Athlete program is our way of rewarding age-group athletes for their hard work, dedication, and performance across IRONMAN and IRONMAN 70.3 racing. As long as one IRONMAN or IRONMAN 70.3 is completed you can also receive points for IRONMAN 5i50 events.

The program uses IRONMAN’s Age Group Rankings system to determine which athletes have finished within the top 10 percent or better of their age group each calendar year. Within this system, athletes generate points based on their finish time behind the first official finisher in their age group. Athletes accumulate points at every race they complete, but on December 31st, only their top three performances will count toward their All World Athlete status. This makes it easy for athletes to improve their ranking simply by racing more with IRONMAN.

An athlete can achieve All World Athlete status in one or all of the following categories: IRONMAN, IRONMAN 70.3 and OVERALL (IRONMAN, IRONMAN 70.3, IRONMAN 5i50). There are three levels associated with the All World Athlete program:

GOLD (top one percent)
SILVER (top five percent)
BRONZE (top ten percent)

All World Athletes receive a variety of benefits from IRONMAN, AWA benefits site.

For questions regarding the program or help selecting races to help you gain or maintain All World Athlete status, please email us at AWA@IRONMAN.COM.

FAQS

1. WHEN WILL THE BIB LIST BE POSTED?
Bib lists are posted within two weeks after the withdrawal deadline has passed. The withdrawal deadline is 45 days before race day. Once the bib list has been published, the participant list (which is updated the first week of every month) will no longer be updated. Athletes who register after the withdrawal deadline will be assigned a bib number race week.

2. WHAT IS THE WITHDRAWAL/PARTIAL REFUND POLICY?
Withdrawal requests must be received in writing via e-mail to FLORIDA@IRONMAN.COM. Without exception, all requests must be received on or before September 18, 2019 to be eligible for a partial refund of $150.00 (USD).

3. WHAT IS THE TRANSFER POLICY?
IRONMAN is giving IRONMAN (140.6) athletes an additional option to the standard refund policy. Instead of taking the standard refund, athletes registered for select North American IRONMAN (140.6) events now have the option to transfer their entry to another IRONMAN (140.6) or IRONMAN 70.3 event in North America with general entry slots still available. Athletes may move to a race sooner or later in the calendar year (dependent upon availability) and may move to another North American IRONMAN (140.6) event or to an IRONMAN 70.3 event. Please visit the TRANSFER POLICY WEB PAGE for more information.

4. WHAT AGE GROUP WILL I RACE IN?
The Age Group breakdown is as follows:
- 18-24
- 25-29
- 30-34
- 35-39
- 40-44
- 45-49
- 50-54
- 55-59
- 60-64
- 65-69
- 70-74
- 75-79
- 80+

You will race in the Age Group corresponding with your USAT age, which is your age at the end of the year on December 31, 2019.

5. HOW DO I UPDATE MY TRICLUB AFFILIATION?
Please log into your IRONMAN Profile Account to make any changes or updates to a TriClub affiliation you may have. Affiliations must be finalized by race week for points to count towards that race. If you have any questions, please e-mail TRICLUB@IRONMAN.COM.

6. WHAT SHOULD I DO IF THERE IS A PROBLEM WITH MY RACE TIMING?
If there is an issue with timing, please contact TIMING@IRONMAN.COM. If you have a question regarding your Age Group Ranking, please contact AWA@IRONMAN.COM. It will take up to 30 days for your points to be added to your profile.

7. WHAT IF I CANNOT STAY FOR SLOT ALLOCATION OR AWARDS?
If you cannot stay for Slot Allocation, you automatically forfeit your slot should you qualify. All athletes who automatically qualify and wish to claim their slot must be present to do so. If you cannot stay for the Awards ceremony, please email FLORIDA@IRONMAN.COM to arrange for your award to be shipped to you. All awards will be donated/repurposed after 30 days.

8. HOW DOES MEDICAL SUPPORT WORK ON COURSE?
If you need minor medical assistance, a SAG vehicle will pick you up and take you to the medical tent, where you shall receive treatment. Alternatively, depending upon medical emergency, ambulances will take you to the nearest hospital to receive treatment. If you have a technical problem or have bonked, the SAG vehicle will take you to the next aid station. There will be radios to contact ambulances and medical assistance. If you have a problem, please go to an aid station for further assistance.
