The Winning Tradition...

Youth sports programs are vital to young athletes in our community. Many of us can look back on our childhood years of little league baseball, midget football and pond hockey remembering the excitement of playing a team sport we loved.

And, at **TJ Hockey Club**, we are proud of our commitment to producing hard-working and competitive athletes, while maintaining our devotion to community philanthropy. However, the cost of playing sports continues to rise year-over-year, which puts substantial cost burden on parents and ultimately deters families from signing up. We are determined to improve opportunities for everyone!

Did you know?

- 1 hour of practice on the ice costs a team \$300-\$400 or \$26,000 a season
- Fees to the PA Interscholastic Hockey League cost over \$19,000
- Total organization costs in 2019-20 season were over \$85,000.
