

Cell Phones and Other Mobile Recording Devices

In accordance with USA Hockey policy, cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, **are not permitted to be used in the locker rooms**. If phones or other mobile devices must be used, they should be taken outside of the locker room area.

Cell phones or any other electronic device, including tablets and gaming devices, should be kept out of view of others, and out of use, inside any locker room. With exceptions that it may be appropriate to use such devices to play pre-game music, or in circumstances of a victory celebration, team party, etc., where all people in the locker room are appropriately dressed and have been advised that photographs and video are being taken.

Every coach, parent, adult, or staff member has a responsibility to enforce this policy.

Every player should be aware of this policy. Non-compliance can result in a coach or responsible adult holding onto the device until the end of the event.
