KGYAA
Tackle - Flag - Cheer

Dear Business Owner,

KGYAA is a non-profit organization dedicated to providing young men and women with a first-class experience while playing football. While this experience is centered around football, KGYAA uses football as an opportunity to teach life lessons and stress sportsmanship to all participants. Currently we provide a tackle football season, flag football season and cheerleading for participants in King George County. There are approximately 550 participants in KGYAA throughout the year.

We are reaching out to local businesses to help us raise money for these student athletes in our community. Every dollar donated supports our players and cheerleaders. The money raised will be used to purchase equipment and uniforms, reduce registration fees, and pay fees for officials and field rental.

We're growing every year, and we are really making a difference in the lives of young people. We've already come a long way and with your generous support, we're going to keep doing what we do!

Thank You,

Sarah Thir
