

Mission Statement

Red Wing Youth Baseball Association's mission is to provide a positive, supportive, and inclusive environment where youth can grow as athletes and individuals. RWYBA is committed to fostering respect, collaboration, and integrity throughout our association through teamwork and fair play. As an association, RWYBA strives to empower every player to reach their full potential, both on and off the field, while building lasting relationships and a strong sense of community.

Core Values

Collaboration

Working together is key to our success. When players, parents, coaches, and the community work as a team, it becomes easier to reach our goals. Everyone working toward common goals, leads to great results.

Integrity

We are committed to integrity through playing the game with honesty, respect and understanding. As a baseball community, RWBYA commits to transparency and accountability to build trust, support fairness, and uphold the values of good sportsmanship.

Development

RWYBA focuses on enhancing the leadership skills and character of players and coaches, both in sports and in the wider student community. We will prioritize good sportsmanship and actively seek opportunities for growth and development opportunities for everyone involved, with the goal of positively influencing the culture of our community.

Equity

We aim to foster an environment of equity and inclusivity where everyone is treated with respect and feels welcome. We believe that all players, coaches, and families should experience a sense of belonging and receive the support necessary for success in sports and life. Our mission is to ensure that everyone, regardless of their background, feels valued and included.

Respect

It is important to demonstrate kindness and respect towards everyone in our program. RWYBA is dedicated to maintaining a reputation for respectful behavior all year round, not only during the baseball season.
