## Trent Duniven

I grew up in southeastern Wisconsin where I was very active in competitive soccer. I moved to Cedar Falls in order to pursue a teaching degree at UNI. From there, I never left.

I have worked and coached with the Waterloo Schools since January 2013. I have been highly active in youth soccer by coaching many teams ranging from the rec to competitive level for different programs in the area.

My wife and I are raising our three kids ages 9, 7, and 4 who are all active in a wide range of athletics.

I joined the Board in order to provide open, honest and transparent communication to all stakeholders.

I hope to use my knowledge of competitive youth sports as well as my high school coaching experience to take a common sense approach in my decision making.

I full-heartedly believe there is so much untapped potential in the WHYA and hope to be able to bring new opportunities to Waterloo for the players and families in the future.

# COACHES CORNER

Thank  
you!

Coach Ben Kutz is entering his 16th season coaching travel hockey. He first received his level 1 coaching certification back in 2008 and since then has his level 4 along with many coaching modules completed. With over 1,000 practices coached and countless games and endless hours volunteering his time. We would like to say thank you. We are sure you will see Ben at the rink sometime and feel free to tell him congratulations for over 1,000 practices coached! In his free time he also enjoys hunting, fishing and coaching baseball as well!
