We sure do miss our soccer family and hope everyone is staying healthy and active!

The Executive Board, Board of Directors and Staff have had extensive conversations about our 2020 Spring Recreational Season, our finances, and how we can do right by the members, volunteer coaches, and the club. We are facing many difficult decisions and every conversation ends with ensuring that our players have a Rec program when the pandemic is behind us.

On that note, we have made the difficult decision to cancel the Spring Rec Season and begin preparation for the return of all our amazing players.

Keeping in line with this decision, we have some options for you:

- Option 1 – Donate your Registration Fee*
- Option 2 – Credit/Transfer Registration to a Summer League ([CLICK HERE for details](#))
- Option 3 – Credit/Transfer Registration to our Fall League
- Option 4 – Refund of Registration (minus \$20 administrative fee)

*All donations will support the return and safety of our players. We are already looking into obtaining hand sanitizer stands and other protective measures to reduce the potential of virus transmittal when we return to play.
