Parent Disciplinary Discussion

Parent of a player has been verbally abusive with coach for several weeks

Per the request of Disciplinary Committee Chairman - Coach to have step one with the parent

Coach reported that the parent came into the locker room after a game, yelling and swearing at his child and other players about their play at the game.

Players and some parents are afraid of this parent

Disciplinary Committee Chairman wrote an email to the parent advising him that he is not allowed back in the locker room until this issue is investigated.

Parent denied having a hearing.

Parent is upset with the coaching staff and would like to pull his child from the program.
