USA HOCKEY PLAYER DEVELOPMENT CAMPS

GIRLS NATIONAL 15 CAMP

July 19-24, 2026 • Goggin Ice Center • Oxford, Ohio

USA Hockey prohibits any electronic or in-person contact by recruiters or coaches with participating athletes during this player development camp. Please respect this policy throughout the duration of this camp, from 8 a.m. July 19, through 1 p.m. July 24.

PROGRAM & SCOUT BOOK

ATTENTION:

All scouts, family advisors, coaches, etc.

Contact with the players during this week's player development camp is strictly forbidden. We have produced a Scout Book, for your purchase, with the players' contact information. We sincerely hope that several of these players will draw the interest of your program. However, this week, the players have a demanding schedule and are in a very competitive environment. Please allow them to maintain their focus on the task at hand.

USA Hockey and the players appreciate your cooperation with this policy. **Please understand that violation of this policy can result in removal from the facility.**

If there is any information that you might need, please don't hesitate to ask the camp director.

SPECTATOR'S CODE OF CONDUCT

- Display good sportsmanship. Always respect players, coaches and officials.
- Act appropriately; do not taunt or disturb other fans; enjoy the game together.
- Cheer good plays of all participants; avoid booing opponents.
- Help provide a safe and fun environment; throwing any items on the ice surface can cause injury.
- Do not lean over or pound on the glass; the glass surrounding the ice is part of the playing area.
- Support the referees and coaches by trusting their judgment and integrity.
- Be responsible for your own safety; be alert to prevent accidents from flying pucks and other situations.
- Respect locker rooms as private areas for players, coaches and game officials.
- Be supportive after the game, win or lose. Recognize good effort, teamwork and sportsmanship.

Welcome

Welcome to Oxford, Ohio, and the Goggin Ice Center for the 2026 USA Hockey Girls 15 National Player Development Camp.

USA Hockey Player Development Camps provide America's top hockey players in each age group age-appropriate on- and off-ice training and instruction, as well as the opportunity for players to compete nationally against other players from their age group.

This camp features 12 teams of 17 players from each of USA Hockey's 12 Districts who will compete in games in addition to daily instruction and practices.

USA Hockey would like to thank all of its current and former players for their participation in this event, as well as the parents, staff and volunteers for their support.

NECK LACERATION PROTECTION

USA Hockey requires use of neck laceration protection (sometimes referred to as neck guards) for all players, including goaltenders, in all age classifications, other than adults, in games and practices — as well as for on-ice officials under the age of 18. For clarity, this includes youth, girls and junior age classifications. USA Hockey continues to strongly recommend the use of neck laceration protectors for adult players.

USA HOCKEY PLAYER DEVELOPMENT CAMPS PRODUCE OLYMPIC GOLD MEDALISTS IN 2026

When members of the U.S. Men's and Women's Olympic Ice Hockey Teams accepted their gold medals at the 2026 Olympic Winter Games in Milan, many of them had already skated on the path the next generation of American hockey players is set to embark on this summer at USA Hockey National Player Development Camps.

For years, USA Hockey National Player Development Camps have served as a direct pipeline to NCAA Division I and professional hockey opportunities. That development reached Milan in 2026, as all 23 members of the U.S. Olympic Women's Ice Hockey Team and 21 members of the U.S. Olympic Men's Ice Hockey Team took part in National Camps.

Caroline Harvey, Women's Olympic Ice Hockey most valuable player and tournament best defender, took strides in her development at National Camps. The standout from Salem, New Hampshire, recorded nine points in seven Olympic contests, tying for the tournament lead in points on her way to gold.

"I hope they all go into these camps with confidence," Harvey said of players participating in National Camps. "You are there for a reason. Enjoy the moment and skate with confidence."

The success of the U.S. Women's Olympic Ice Hockey Team was staggering in 2026, as Team USA went on an undefeated run to gold which included five-straight shutouts, orchestrated by goaltenders and National Camp alumni Aerin Frankel, Gwyneth Philips and

Ava McNaughton. The U.S. outscored their opponents 33-2 in seven contests.

The U.S. Men's Team, led by a trio of National Camp alums (Auston Matthews, captain; Charlie McAvoy and Matthew Tkachuk, alternate captains), also went on an undefeated run in Milan, which included overtime victories against Sweden in the quarterfinals and Canada in the gold medal game.

McAvoy served as a strong defensive presence for the U.S. team that outscored opponents 26-9 in six games. He helped orchestrate Team USA's first gold-medal run in Men's Hockey since 1980 and encouraged National Camp participants to trust their development.

"Do your best not to compare yourself to anyone else," said McAvoy. "Skate hard, work hard and trust your development. Everyone around you is running the same race, and your timeline is the only one that matters."

The undeniable success of the U.S. Men's and Women's Olympic Ice Hockey Teams on the biggest stage is a testament the National Player Development Camp model. The programming, on-ice instruction and world-class coaching provided at National Camps have aided the current generation of American star hockey players and will continue to develop high-level talent in the future.

As the next wave of USA Hockey stars take the ice this summer, Harvey provided one last message of encouragement for every participant from across the country.

"Soak it all in and take advantage of this opportunity," Harvey said. "I can't wait to see what you all accomplish. You are the future."
